*Viral World* Long T. Bui,2024-06-07 This book argues that the catastrophe of COVID 19 provided a momentous time for groups institutions and states to reassess their worldviews and relationship to the entire world Following multiple case studies across dozens of countries throughout the course of the pandemic this book is a timely contribution to cultural knowledge about the pandemic and the viral politics at the heart of it Mapping the various forms of global consciousness and connectivity engendered by the crisis the book offers the framework of viral worlding defined as viral forms of relationality becoming and communication It demonstrates how worlding or world making processes accelerated with the novel coronavirus New emergent forms of being global went viral to address conditions of inequality as well as forge possibilities for societal transformation Considering the tumult wrought by the pandemic Bui analyzes progressive movements for democracy abolition feminism environmentalism and socialism against the world shattering forces of capitalism authoritarianism racism and militarism Focusing on ways the pandemic disproportionately impacted marginalized communities particularly in the Global South this book juxtaposes the closing of their lifeworlds and social worlds by hegemonic global actors with increased collective demands for freedom mobility and justice by vulnerable people The breadth and depth of the book thus provides students scholars and general readers with critical insights to understanding the world s of COVID 19 and collective efforts to build better new ones

**Creative Arts Therapy Careers** Sally Bailey,2021-09-30 *Creative Arts Therapy Careers* is a collection of essays written by and interviews with registered drama therapists dance movement therapists music therapists art therapists poetry therapists and expressive arts therapists The book sheds light on the fascinating yet little known field of the creative arts therapies psychotherapy

approaches which allow clients to use creativity and artistic expression to explore their lives solve their problems make meaning and heal from their traumas Featuring stories of educators in each of the six fields and at different stages of their career it outlines the steps one needs to take in order to find training in one of the creative arts therapies and explores the healing aspects of the arts where creative arts therapists work who they work with and how they use the arts in therapy Contributors to this book provide a wealth of practical information including ways to find opportunities to work with at risk populations in order to gain experience with the arts as healing tools choosing the right graduate school for further study the difference between registration certification and licensure and the differences between a career in a medical mental health educational correctional or service institution This book illuminates creative arts therapy career possibilities for undergraduate and graduate students studying acting directing playwriting creative writing visual arts theatre design dance and music It is also an excellent resource for instructors offering a course to prepare arts students of all kinds for the professional world

**International Student Visibility** Catherine Gomes,2024-10-29 This book narrates the ubiquitous relationship that international students have with their destination community asking why students are not part of these communities despite being visible actors not only as students but as neighbours and as workers in the service industries and the gig economy This book examines international students living and working in Australia through a cultural and communications lens bringing together almost a decade of interviews and online surveys It provides insight into their transnational identities and social and cultural practices in real world and digital spaces Despite being an integral part of the ethnographic landscape of the places they occupy this book argues that international students are often not an integrated part of the wider community To remedy this international students have found ways to explore and communicate their experiences as transient migrants in Australia This book thus goes beyond canonical academic commentary on the international student experience which often views them as vulnerable migrants to suggest that students create a sense of community and belonging while providing the wider Australian public insights into the international student experience through the creative arts This book will appeal to scholars upper level students and researchers with interests in international and comparative education sociology of education urban education cultural studies migration studies and youth studies
