Content Marketing Gavin Turner, 2019-05-17

If you want to create content like BuzzFeed that turns a simple click into a money making sale for your business, then keep reading. Did you know in just the first 60 seconds of your day 87,500 tweets are posted on Twitter, 3.8 Million Google searches are typed, 1 Million people are logging into Facebook. That's how big content is being consumed each minute every single day of people's lives. As the saying goes, Content is King. Now the big question is how can you leverage content to make people buy from you. This is where the newest marketing approach known as Content Marketing comes in. Content Marketing uses strategic planning and posting content that sells and engages your audience, which spells the difference between customer retention and missed sales. All you need to know is how to shoot your message like an arrow that your audience can't take off their chest. Gary Vee breaks it down. You need to spend all of your time and energy on creating something that actually brings value to the people you're
