Excelling at Customer Service Sorin Dumitrascu,2017-04 As the saying goes You can t create the house before you build the foundation That s why the first course in this customer service series focuses on building the foundation of excellent service The goals are to Explore the basic concept of corporate culture Recognise how culture directly impacts service Identify barriers to service excellence Strengthening your internal environment impacts your external customer service as well When workplace bonds grow so do customer relationships The result is better performance productivity and increased success If you think your goal in giving good customer service is satisfying the customer think again The slogan Satisfaction Guaranteed just isn t enough in today s highly competitive marketplace This course focuses on how the customer service game has changed and how you can become a much better player Today customer satisfaction is worth relatively little but customer loyalty is priceless And loyalty requires excellence This course will give you a new perspective on the meaning of service offer guidelines for setting service standards provide strategies for excellence from service stars Wal Mart founder Sam Walton said it best There is only one boss the customer And he can fire anybody in the company from the chairman on down simply by spending his money somewhere else Buying

into the power of the customer is an important step to developing service excellence But how can you help your organization grow if the power base is elsewhere You ll learn to hear the customer s voice by Recognizing and anticipating customer expectations Focusing on the five primary service factors Another area of importance is how to collect information about the customer You don t have to be a secret agent like James Bond to gather intelligence on clients By completing this course you ll master methods of compiling customer data and feedback The final lesson in hearing your customer is creating compatibility Identify how to align your services with each customer and gain lasting commitment You ve worked so hard to achieve service excellence and now you are ready to pick up the pace to make you a service leader In this course advancing your service skills is the focus You ll put the phrase going above and beyond the call of duty into action There are four major components in this course to move you up a notch to a new level of customer service Think of them as ACTIONS you ll be incorporating into your daily work behaviors You ll be Setting the bar for over the top service Capturing customer commitment face to face Answering the call for great phone service Making e mail memorable How often do you wake up and say I hope all my customers are nice today That s because it is easy to be nice to nice customers The challenge is in providing service to customers who are not happy whatever the reason The only thing that can torpedo your day more than a confrontational customer is not knowing how to handle one Handle means to get to the root of the problem fix it and create good customers out of conflict situations In this course you ll explore How to create a confrontational customer How to communicate with difficult customers Handling conflict and complaints face to face Handling conflict and complaints over the phone Rebuilding customer relationships during and after conflict There will be customers in your life that you politely refer to as problem customers One such customer consistently hurls challenges your way Another type is so aggressive that one situation alone is enough to earn him the distinction This course is designed to give you the skills to make problem customers some of your best Now that s not as crazy as it sounds Here s why If you have the ability to turn a difficult situation into a positive outcome that s memorable service

Should You Work from Home? Jennifer Jelliff-Russell, Is working from home a good fit for you There are a lot of myths around remote employment and what it looks like on a day to day basis like Can you really wear your pajamas all day Is it true that remote employees make less money Are there other remote opportunities besides telemarketing and customer service In the first section of this book you ll learn the truth behind these and other work from home myths You ll also discover what pitfalls to look out for if you decide to look for remote work Section 2 How to find legitimate remote jobs If you re ready to jump into a work from home job then Section Two will help you achieve that goal I ll share great resources to help you find legitimate remote positions across a variety of industries You ll also learn about what surprises you might encounter in a remote job application which will help you get a leg up on other candidates Section 3 Tips for writing cover letters and resumes In Section Three you ll hear the best methods on how to actually apply for remote employment including what surprises you might encounter in a remote job application You ll also

learn what to add to your resume to show how great you'd be as a remote employee and how to craft a compelling cover letter specifically for remote positions that will get you noticed by hiring managers In this section I'll provide you with a link to my free resume and cover letter templates so your application process will be that much easier Section 4 Ace the remote interview Even if you're a natural in interviews virtual interviews can be a different story In this section you'll learn expert tricks to ace a virtual interview as well as general tips for nailing any kind of interview Here you'll learn about the best methods for answering tricky questions and how to put your best foot forward in the interview to get a job offer Section 5 How to thrive while working from home If you've decided that remote employment is the perfect fit for you and you've already landed the job congratulations However there are still a few struggles you may encounter when you first shift to working from home In Section Five I'll share the best methods for a smooth transition to remote employment and how to thrive in a remote work environment Stop wondering if working from home is for you and instead read this book to find out Then follow the suggestions tips and tricks to find an awesome job then land that remote position fast
