The Marvellous Connections Between ESG and Taxation Luis Wolf Trzcina,2025-02-17 When we consider taxes as not merely paying an obligation but as a contribution to a more equitable society we have taken a giant step toward supporting environmental and social initiatives encouraging responsible business practices and driving innovation This extraordinary book explores the intersection of ESG Environmental Social and Governance and taxation offering a comprehensive perspective on how ESG can positively influence sustainable finance tax compliance transparency and corporate responsibility Drawing not only on the historical significance of taxation in fostering progress but also on the Japanese concept of ikigai sense of fulfilment and the humanist psychology associated with Victor Frankl the author s strikingly original approach to tax law pulls together new perspectives on a variety of current global concerns around taxation including the following social pressure on investors ethical supply chain digital economy and fair share of taxes profit shifting and the BEPS project transfer pricing the European Green Deal extractive industries transparency initiative tax effects of carbon credits promise of green hydrogen and executive compensation linked to ESG performance The analysis shows that when companies and tax professionals integrate ESG principles into their tax approach they align their contributions with a broad commitment to positive change because they strengthen both their reputational capital and

societal impact and clearly distance themselves from the common toxic practices so widely excoriated in the tax literature. This book serves as a practical guide for corporate executives and policymakers who seek to understand how ESG aligned tax practices affect public perception and stakeholder trust and thus assist them in crafting strategies that enhance brand reputation and credibility and create a positive impact on civil society worldwide.

This Thing Called Love Debbie Howells, 2025-05-05. A truly unforgettable romantic story about family love and serendipity, perfect for fans of Lucy Diamond, Beth Moran and Jill Mansell. Two people's lives are about to collide but will they find love? Far away on a beautiful Mediterranean island, a little girl writes a letter to the Universe with one wish for something to change so that her father, Luke, can be happy again. Little does she know there are two strangers in search of Luke already: Bee, who has just found out a deep secret about her past, and Alex, who dreams of his mother finding some of her memories again and who believes Luke might be the key. As Bee's and Alex's lives are drawn together in entirely unexpected ways, will they only find what they're looking for? Or could the Universe also have a love story planned for two people who might just be soulmates if only their paths could cross.

Readers love Debbie Howells. Oh boy, it's poignant, it's raw, it's blooming emotional. Tissues at the ready. We don't know what may be around the corner. A stunning read, one that took my breath away. Very highly recommended.

Reader Review: A massive WOW. An emotional journey of heartbreak, grief and loss. A powerful, magical and quite simply beautiful read. You will lose your heart to this wonderfully touching and bittersweet tale.

Reader Review: Wow, this book. It's very rare that a book captivates me from the first few pages alone, but this one definitely did. This was so beautifully written and so well thought out. I flew through it. It's a raw story of friendship, love, grief and so much more. Incredible.

Reader Review: A beautifully written tearjerker and worth every single one of my tears. I'm not prone to getting sentimental, so that's saying a lot. It was sad and heartbreaking, but there was beauty. It reminds us of the power of love and what it can do. A five-star experience.

Reader Review: A book that made me cry so much about soulmates and friendship. I loved it.
