Dad's Best Friend Mia Ford, 2019-12-14 Losing my parents was one of the hardest things that I d ever been through I was just a teenager and needed my mom Through legal paperwork as well as love I went to live with Dad s best friend Perry Adams They were friends since grade school and I didn t know anyone better than Perry It was perfect Then came the years when I grew older and more aware of hormones and emotions I knew it was wrong to want to sleep with a man that was twice my age as well as such a close member of my family It just got harder though I knew so many guys at school that would take care of my needs but they were crass and immature They weren t Perry Before I knew it I was graduating from college and more attracted to him He suggested a trip together to celebrate and I agreed with no intentions of anything happening between us Then there was a kiss and we couldn t stop it Was there a future for Perry and me Could we get past all the wrongs in our relationship Could I start my life without him in it now that I didn t have to stay **The Silent Scream**

Sandra A. Jones, 2010-11 THE SILENT SCREAM As an early teenager Sharon moved with her family to a part of the country not far from where she had grown up but culturally it was a million miles away She endured the hardships of not being accepted in school or in the community and then one day she realized that she was a stranger in her own family Sharon tried to reason whether her parents had always been that way or if they had been coerced into accepting a strange way of life They had become treasonous enemies against her very soul Eventually she was forced to change or become a good actor in order to survive to adulthood She felt confused not knowing what to do or where to go she was only sixteen Thinking she would endure a loveless marriage and build a normal life for herself she made mistakes She had no intention of letting the children she bore become a product of that destructive environment she would flee one way or another Later in life thousands of miles away she encountered even greater challenges than she had experienced in the place from which she had escaped Relative power governed the world of her teens A turn to politics showed her another world of falsehoods Greed money and the search for truth ruled her life as an adult There was no winning no life of normalcy until the truth finally set her free Like following a true compass she found her refuge and learned that success is a journey not a destination This Side Up: The Road to a Renovated Life Amy Mangan, 2018-08-02 This Side Up The Road to a Renovated Life is a home and garden editor s story of a life constantly under construction none by design Written with candor humor and grace Amy Mangan shares her own home tour but this one deftly sheds light on job loss financial shame home displacement marital discord illness and caregiving Faced with one crisis after the next Amy discovers how to cope hope and rebuild finding a new way home to a stronger way of life What Father Did to Flushing (Mich.) with His Ford and Victrola Edmund G.
