Top Hybrid Work Schedule Usa:

Make It To the Top Payal Nanjiani, 2024-09-16 You are working hard You are sustaining your job You are doing well in your field Life seems fine But there is something that is holding you back from making it to the top in your field of work That something could be an annoying habit a behaviour or a trait that is getting you stuck in your career All of us want promotions and salary increases We desire to make it to the top But most of us don't realize that these things cannot be asked for by putting our hands out You can get that promotion the salary raise the new project the visibility the sponsors the accolades and the achievements only when you work on yourself harder than you work on your job You must become such that success promotion and job offers begin to follow you everywhere In this book Payal Nanjiani points out that the reason why many do not make it to the top is not because of a lack of information abilities or skills Having private access to some of the world's most successful industry leaders she tells you that those who truly make it to the top in their careers are doing things differently than others An expert coach who helps leaders globally overcome their unconscious habits and behaviours to attain higher levels of success she has worked with corporates and leaders around the globe bringing about a huge transformation in the thinking and behaviours of leaders Her one on one coaching comes with a six figure price tag But in this book Payal shares some great advice and strategic solutions to reach the top without a hefty price tag The book has hands on advice on what to do how to do it and what transformation to bring about in your thinking and habits These ideas powers and habits have been tested in practice on numerous executives Payal has coached in the past eighteen years and are helpful to people in every part of the organization We all face challenges and deal with setbacks But in the long run you will achieve incredible growth and success if you are willing to change your thinking and behaviours Are you ready to unlock your leadership powers and live your best life

Transparent Leadership Alan T. Belasen, PhD, Ariel R. Belasen, PhD, 2025-12-02 Establishing a culture of trust in organizations and strengthening the middle line are both critical for implementing innovation especially during major disruptions Work units and teams operate in environments that are largely influenced by broader organizational and institutional goals where middle managers are most needed for guiding and directing the staff to carry out change Recently however the value of middle managers has come under attack Despite their valuable contributions that often have gone unnoticed by senior executives middle managers have regularly been viewed as non value added practitioners who consume resources but do not add value to products or services Further as technology advances and social media allow executives to interact more directly with stakeholders it also removes middle management from the communication loops or the decision making process Conscious about the potential of being eliminated demoted or bypassed some middle managers attempt to prove their premium by working excessively hard thus becoming hyper effective working longer hours with a desire to perform their roles better Surprisingly however executives who react harshly to these attitudes and behaviors also typecast middle managers as being unmotivated and needed to be further bypassed or often

incentivized monetarily to accomplish important tasks Neglecting middle managers strengths or focusing on negative attributes and weaknesses creates conditions of failure harmful to employees and organizations Transparent Leadership Bridging the Trust Gap Between Senior Executives and Middle Managers focuses on trustworthy relationships between senior executives and middle managers A proven framework of trustworthy leadership is presented as a practical guide for leaders and professionals wishing to gain skills for building and maintaining trust in the workplace It provides practical strategies and assessment tools for bridging the trust gap between executives and middle managers
