Quietly Powerful Megumi Miki, 2022-01-01

In the uncertain, changing, global, and interconnected world, the alpha or hero leadership style alone is outdated and inadequate. Quieter professionals, who are often overlooked or taken advantage of without recognition, have immense value to contribute to organizations. In this book, Megumi Miki shares her own experience and those of many other quiet professionals who have achieved great success in the business environment. Megumi believes that a shift in our beliefs about leadership will allow talented quiet professionals to view their quiet nature as a strength and to succeed in their own way, rather than seeing it as a disadvantage. She aims to empower quieter professionals and those outside majority groups to fulfil their potential. *Quietly Powerful* challenges quiet professionals to reframe the story they tell themselves about their leadership potential and encourages organizations to expand their ideas about what good leadership looks, sounds, and feels like. **Unforgettable Presence** Lorraine K.
