A Quick Guide to 21st Century US Politics Ian Wilder,2019-02-06 Ian Wilder has managed to take the mystery out of the often surprising and sometimes baffling American political system His friendly funny digital native savvy writing is sure to appeal to those who watch American political developments with fascination and who get our news and politics through an Internet screen and filtered by friends and comments sections Both entertaining and informative the book adeptly walks an adolescent path through a very grown up topic If you re internationally aware but need a quick primer on the American bicameral system the outline of the two major parties in the USA or just want someone to walk you through the political system quickly and informatively this is the book for you

Russian Nazi Troll Bots! Eric W. Saeger,2018-08-24 It s beyond dispute that trolls and automated bots helped Donald Trump win the White House in 2016 Some of the troll operations involved were based in Russia but domestic interests also participated in the invasion In fact trolls of all types from all corners of the internet came together in a perfect storm of propaganda disinformation and political dissent The confusion wrought by the multi pronged troll invasion still affects our online spaces today leaving many questions unanswered Who are the trolls What do they want How do they operate Why couldn t our intelligence agencies put a stop to Russian and right wing trolling Can trolling be stopped And what s with all the freakin Nazis One thing is certain the troll invasions wouldn t have succeeded if America hadn t been divided on many pressing issues Deep cultural woes such as racism our New Generation Gap and the slow destruction of the middle class were part of the toxic environment that allowed trolls to flourish This book the first from software expert award winning internet troll and long time underground culture fixture Eric Saeger examines all these issues with an impartial eye The limitations and realities of current technology are explained in clear simple language revealing the tactics of everyday trolls and describing how future technology promises to make the internet a safe livable place for everyone Most important of all along the way you ll see the humor in our dire but salvageable situation Once we understand the invaders we ll no longer fear RUSSIAN NAZI TROLL BOTS
