**Teaching Poetry in a Digital World** Stefani Boutelier, Sarah J. Donovan, 2025-04-30 Teaching Poetry in a Digital World supports English language arts ELA educators for grades 6-12 to incorporate digital literacy in their classrooms by teaching the reading and writing of poetry. In an increasingly digital age, educators must adapt to meet the changing needs and interests of their students by incorporating technology into the classroom. This book introduces its audience to the ePoetry Framework. This framework demonstrates how poetry might present itself in a literacy-based unit with the benefit of a technology medium to share with the world. Examples include teaching zip-ode poetry incorporating haiku with the creation of GIFs and ethically discussing AI with sonnet poems. With adaptable lesson plans and assessments as well as educator examples, the book will inspire teachers to create intentional student-centered ePoetry units. The book is aligned with ELA literacy standards, International Society for Technology in Education (ISTE) educator standards, and National Council of Teachers of English (NCTE)'s position statement for integrating technology into ELA classrooms. It is a key resource for secondary school educators teaching ELA creative writing and digital media. **Acres, U.S.A.**, 2007

**Political and Civic Leadership** Richard A. Couto, 2010-09-14 This work within The SAGE Reference Series on Leadership provides undergraduate students with an authoritative reference resource on political and civic leadership. This 2-volume set focuses on the 100 most important topics, issues, questions, and debates specific to politics and civic society. Entries provide students with more detailed information and depth of discussion than typically found in an encyclopedia entry while avoiding much of the jargon, detail, and density one might find in a journal article or a research handbook chapter. **Key Features:** Includes entries written by a global panel of renowned experts; Offers broad coverage of important topics related to political and civic leadership, including explorations of the personalities and environments of political leaders, leadership roles in governance and allegiance, citizen activists and civic engagement, political campaigning, urban politics, and leadership, public management, ethics in politics, policy development and implementation, executive management of public opinion, political speechmaking, and the bully pulpit; congressional leadership, crisis management, and more; Considers the history of political and civic leadership with examples from the lives of pivotal figures as well as the institutional settings and processes that lead to both opportunities and constraints unique to the political realm; Provides students with more depth than usual encyclopedic entries while avoiding the jargon, detail, and density of more advanced works; Features an approachable and clear writing style with appeal to undergraduate researchers and offers a list of further readings after each entry as well as a detailed index and an online version of the work to maximize accessibility for today's students. **Adweek**, 2007-04
