Public Media Management for the Twenty-First Century Michał Głowacki, Lizzie Jackson, 2013-10-15 This book analyzes the challenges facing public service media management in the face of ongoing technological developments and changing audience behaviors. It connects models, strategies, concepts, and managerial theories with emerging approaches to public media practices through an examination of media services e.g. blogs, social networks, search engines, content aggregators, and the online performance of traditional public media organizations. Contributors identify the most relevant and useful approaches, those likely to encourage creativity, interaction, and the development of innovative content and services, and discuss how such innovation can underpin the continuation or expansion of public service media in the changing mediascape.

Corporate Blogging For Dummies Douglas Karr, Chantelle Flannery, 2010-07-13 Establish a successful corporate blog to reach your customers. Corporate blogs require careful planning and attention to legal and corporate policies in order for them to be productive and effective. This fun, friendly, and practical guide walks you through using blogging as a first line of communication to customers and explains how to protect your company and employees through privacy disclosure and moderation policies. Blogging guru Douglas Karr demonstrates how blogs are an ideal way to offer a conversational and approachable relationship with customers. You'll discover how to prepare, execute, establish, and promote a corporate blogging strategy so that you can reap the rewards that corporate blogging offers. Shares best practices of corporate blogging, including tricks of the trade, what works, and traps to avoid. Walks you through preparing a corporate blog, establishing a strategy, promoting that blog, and measuring its success. Reviews the legalities involved with a corporate blog, such as disclaimers, terms of service, comment policies, libel, and defamation, and more. Features examples of successful blogging programs throughout the book. *Corporate Blogging For Dummies* shows you how to establish a corporate blog in a safe, friendly, and successful manner.

Mining User Generated Content Marie-Francine Moens, Juanzi Li, Tat-Seng Chua, 2014-01-28 Originating from Facebook, LinkedIn, Twitter, Instagram, YouTube, and many other networking sites, the social media shared by users, and the associated metadata, are collectively known as user-generated content (UGC). To analyze UGC and glean insight about user behavior, robust techniques are needed to tackle the huge amount of real-time multimedia.
