Frischmann, 2014-07-19 Online personal branding is a requirement for all professionals The common argument of the experts is you have a digital footprint in social media and on the internet so people are already making impressions of you Take control of their perceptions More importantly you have an opportunity to proactively project your personal brand onto networks Two other advantages of personal branding are that it forces you to be visionary of your career goals and helps you land favorable employment This books shares a functional angle to personal branding that is refreshingly simpler than the traditional marketing angle The definition of an online personal brand is the combination of a skill set an aura and an identity and there is discussion where the concepts overlap **The Marvelous Millennial's Manual To Modern Manners** Jessica W. Marventano, Catherine Crane Wallace, 2019-02-05 The Marvelous Millennial s Manual to Modern Manners is the concise approachable and relevant go to manners and civility manual that makes all professional millennials lives more productive and pleasant Most Americans think society is becoming

more and more rude Everyone blames the young generation but that trend has been the case since the beginning of time Actually millennials have many positive attributes to offer empathy open mindedness and optimism However they don t have a solid foundation in manners The Marvelous Millennial s Manual to Modern Manners gives millennials the tools they need for professional and personal success with its concise and relevant sections on personal branding business etiquette and dining skills All these important life skills are like any other skill they must be learned This is the manners manual for them

The Boomerang Principle Lee Caraher,2017-03-16 It is rare today for employees to stay with one organization for the long tenures that were the norm before the Great Recession In fact job hopping is the new norm especially for Millennials In The Boomerang Principle companies learn how to leverage this fact rather than fear it By engendering a lifetime of loyalty from former employees leaders can see them return in the form of customers partners clients advocates contractors and even returning employees Author Lee Caraher has built several companies and managed many Millennials along the way In her first book Millennials Management she shared her wisdom on how to get an intergenerational workforce to contribute to the larger goals of the organization In this follow up book she shifts the emphasis to creating valuable long lasting relationships with your employees to ensure they remain your biggest fans even if they leave the company The Boomerang Principle is a pragmatic answer to the outdated corporate mindset around employee turnover Instead it shifts the focus to creating lifetime loyalty from your alumni who will bring back business again and again [LinkedIn for Personal Branding](#) Sandra Long,2021
