*Microsoft Copilot Pro Step by Step* Lisa Crosbie,2024-12-20 Copilot Pro enables you to be more creative and productive but using generative AI requires a whole new way of thinking most users try once or twice get poor results and give up This book teaches them what they don t know and helps them get started with the right skills Copilot Pro adds generative AI experiences into the most used Microsoft applications Outlook Word PowerPoint Excel and OneNote enabling users to be more productive and creative by generating first drafts editing and improving their work easily understanding and finding pieces of information in large documents and gaining new insights It also allows users to generate text and images in a browser and via a mobile app using the latest AI models This is a completely new way of thinking and working like having your own personal enthusiastic intern working side by side with you every day to take on the mundane and time consuming tasks freeing you up for more interesting and creative work Generative AI has been

everywhere in the media with a huge hype cycle but most everyday workers don't understand how it can be applied to their day to day work in a practical and transformative way. This will follow the Step by Step series format taking the user through a series of steps they can follow to learn practical skills and understand what's possible. The nature of generative AI is that the results vary every time so the book will provide several different examples of each skill to illustrate the variances and possibilities and help the reader find examples that are most relevant to them to build their understanding and knowledge. Copilot Pro is designed for the consumer or home user and was only announced and made available in January 2024. The uptake of generative AI is more rapid than anything we have seen with any other technology with the free version of Copilot already having had 5 billion images created and 5 billion chats conducted as at the end of January 2024 both doubling quarter over quarter. There is very little in Microsoft learning resources available yet on Copilot and there is a huge demand for learning in this space. People don't know what they don't know and need help with the new way of thinking required to use this technology in practical and effective everyday ways. The author Lisa Crosbie has built a community of learners through her YouTube channel where she is known for her ability to explain technology in a way that makes sense to non technical users.

**The Ultimate Guide to Restaurant Marketing in a Post Covid Work From Home World** Donovan Garrett, 2023-11-01. Here's Your Guide to Thriving in the Post Pandemic Economy. Today small local independent restaurants are in crisis. They are completely assaulted on all sides by higher food costs, higher labor costs, an inflationary environment, lower attendance rates and a looming recession. The COVID 19 pandemic and the resulting work from home movement has had a major impact on consumer preferences, demands and expectations of restaurants. As a result, small restaurant owners must implement a solid marketing strategy and adapt it to reach remote workers and satisfy the needs, expectations and pain points of today's diners. To put it simply, yesterday's tactics don't work anymore. The days of simply hanging an Open sign outside your door are gone. The Ultimate Guide to Restaurant Marketing in a Post Covid Work From Home World is not another watered down operations manual. It will teach you exactly how to find and reach customers, communicate what makes your restaurant unique and make serious money even in recessions. You'll learn: Why recessions can be extremely profitable for restaurant owners; Why our society needs restaurants now more than ever; How to reach remote workers and get them into your restaurant; Why convenience is the focal point of diner preferences; How the government failed small restaurant owners during COVID 19; How to beat Ghost Kitchens, Meal Prep Services and other competitors; How to find the perfect diners and attract them to your restaurant; Why you should focus on value not price; Why word of mouth advertising doesn't attract remote workers; How to formulate a marketing strategy for the work from home crowd; How to skyrocket your profits by making money both on and off the menu and much much more. The Ultimate Guide to Restaurant Marketing in a Post Covid Work from Home World is your ultimate companion in the new age of marketing for small restaurants. The Top Books of the Year How To Choose Remote Work Productivity Tips For Small Business The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. How To Choose Remote Work Productivity Tips For Small Business : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
