Big Book of Virtual Teambuilding Games: Quick, Effective Activities to Build Communication, Trust and Collaboration from Anywhere! Mary Scannell, Michael Abrams, Mike Mulvihill, 2011-12-16 Get remote team members to interact as if they're in the same room. Whether you're videoconferencing with team members across the world or emailing a colleague sitting ten feet away, the truth is evident: technology has permanently altered the way we communicate. The virtual workplace can facilitate quicker decision making and reduced overhead. But the lack of face-to-face interaction can also impede trust, innovation and creativity among team members. The Big Book of Virtual Team Building Games is packed with games and activities for developing productive virtual teams across all digital platforms including email, mobile devices, web-based conferencing tools and social media sites such as Facebook, Twitter and Skype. The Big Book of Virtual Team Building Games helps you build a greater sense of community and reduce conflict. Increase levels of engagement. Get the most out of more introverted team members. Boost team members' productivity. Make sure that the only thing separating your people is distance. The Big Book of Virtual Team Building Games is just the tool you need to develop trusting relationships, foster clear communication and use technology to enhance the team's connections.
