### **How to Land a Top-Paying Bloggers Job** Brian Gordon, 2012-04-01

For the first time a book exists that compiles all the information candidates need to apply for their first Bloggers job or to apply for a better job What you'll find especially helpful are the worksheets It is so much easier to write about a work experience using these outlines It ensures that the narrative will follow a logical structure and reminds you not to leave out the most important points With this book you'll be able to revise your application into a much stronger document be much better prepared and a step ahead for the next opportunity The book comes filled with useful cheat sheets It helps you get your career organized in a tidy presentable fashion It also will inspire you to produce some attention grabbing cover letters that convey your skills persuasively and attractively in your application packets After studying it too you'll be prepared for interviews or you will be after you conducted the practice sessions where someone sits and asks you potential questions It makes you think on your feet This book makes a world of difference in helping you stay away from vague and long winded answers and you will be finally able to connect with prospective employers including the one that will actually hire you This book successfully challenges conventional job search wisdom and doesn't load you with useful but obvious suggestions don't forget to wear a nice suit to your interview for example Instead it deliberately challenges conventional job search wisdom and in so doing offers radical but inspired suggestions for success Think that companies approach hiring with common sense logic and good business acumen and consistency Think that the most qualified candidate gets the job Think again Time and again it is proven that finding a job is a highly subjective business filled with innumerable variables The triumphant jobseeker is the one who not only recognizes these inconsistencies and but also uses them to his advantage Not sure how to do this Don't worry

How to Land a Top Paying Bloggers Job guides the way Highly recommended to any harried Bloggers jobseeker whether you want to work for the government or a company You ll plan on using it again in your efforts to move up in the world for an even better position down the road This book offers excellent insightful advice for everyone from entry level to senior professionals None of the other such career guides compare with this one It stands out because it 1 explains how the people doing the hiring think so that you can win them over on paper and then in your interview 2 has an engaging reader friendly style 3 explains every step of the job hunting process from little known ways for finding openings to getting ahead on the job This book covers everything Whether you are trying to get your first Bloggers Job or move up in the system get this book
