Remote Work Playbook Cole N. Harrington, 2025-11-04 Break free from the 9 to 5 grind and start building a location independent life that pays the bills and fuels your purpose Whether you're burned out, bored, or simply tired of trading time for money, the digital economy is calling. Remote Work Playbook is your clear, no fluff guide to designing portable income streams and reclaiming control of your time, energy, and freedom. Bestselling author and digital entrepreneur Cole N. Harrington has helped thousands escape the traditional job trap, and this book shows you how. Inside, you'll learn how to identify your digital skillset even if you think you're not techy. Choose the best remote work path for your personality and strengths. Launch in 30 days or less with freelance contracts or side hustle income. Land real gigs on trusted platforms without getting scammed. Build sustainable systems for long-term remote income and avoid burnout. Master the tools, tech, and habits for focus, flow, and freedom. Travel the world or stay home in your PJs while earning online. Avoid isolation and stay mentally strong in the remote work lifestyle. You'll also discover high-earning portable hustles like coaching, digital products, and content creation. Low-tech job options like virtual assistant work, ESL teaching, and customer support. Income stacking strategies that turn unstable gigs into steady income. A full 30-day launch checklist to help you go remote fast with confidence. This isn't just a book; it's your blueprint for freedom. Whether you're a total beginner or ready to scale your current hustle, Remote Work Playbook will show you exactly how to earn from anywhere. No gatekeepers. No fluff. Just action.

Flexible Lives Stefanie Reissner, Michal Izak, 2025-08-07 This geographically and methodologically diverse volume shines the spotlight on a variety of flexible working practices beyond the predominantly Western perspective and zooms in on the gendered aspects of flexible working. The increasing use of flexible work arrangements has decoupled work from time and space, making the world of work and home increasingly fluid and challenging to manage. The Covid-19 pandemic, in particular, has been a catalyst for questioning accepted norms of where, when, and how work takes place. This book seeks to explore the impact which this reshaping of traditional modes of working has had on workplace interactions and relationships, as well as on managing the boundaries between familial and working lives. In this way, this collection contributes to a wider dialogue concerning the flexibility challenges encountered by white-collar workers, which is needed now more than ever. This book will be relevant to scholars, practitioners, and policymakers in the fields of gender studies, organizational behavior, human resources, and labor economics. It will be particularly useful for those examining the impact of remote work, the future of work, organizational culture, and the social and economic implications of shifting work practices. The chapters in this book were originally published in *Culture and Organization* and are accompanied by an updated Introduction and a new Epilogue.
