 Frischmann,2014-07-19 Online personal branding is a requirement for all professionals The common argument of the experts  
 is you have a digital footprint in social media and on the internet so people are already making impressions of you Take  
 control of their perceptions More importantly you have an opportunity to proactively project your personal brand onto  
 networks Two other advantages of personal branding are that it forces you to be visionary of your career goals and helps you  
 land favorable employment This books shares a functional angle to personal branding that is refreshingly simpler than the  
 traditional marketing angle The definition of an online personal brand is the combination of a skill set an aura and an identity  
 and there is discussion where the concepts overlap     **Teen to Million Journey - Your Roadmap to Online Earning**
