109 Ideas for Virtual Learning Judy Breck, 2006 109 IDEAS For Virtual Learning reveals the online knowledge venue that today s generation uses to learn while playing along at school to receive promotions diplomas and degrees Calling that venue the virtual knowledge ecology Judy Breck describes the networking of open content for learning online where knowledge is fresher authoritative and more compelling than at school In this book she provides her eyewitness account of the decade long

ongoing cascade of what is known by humankind from traditional resources into the Internet and explains the network mechanisms that interconnect the knowledge once it gets online Breck says the resulting virtual knowledge ecology is causing students worldwide literally to study from the same virtual page The author forewarns readers to expect emerging good news as the virtual knowledge ecology opens the way for a global golden age of education in which students learn more and teachers are respected professionals Breck contends that literacy and learning follow naturally from the Internet interfacing what humankind knows A boy or girl's hands can now hold a wireless device mirroring enlightenment from a new virtual venue into his or her mind

Developing Online Content Irene Hammerich, Claire Harrison, 2002 An all in one resource on writing organizing and delivering Web content After nearly a decade of experimentation Web professionals now know that bells and whistles alone do not make a successful Web site More than anything strong and seamlessly integrated content attracts customers and keeps them coming back Coauthored by a new media development expert and an award winning writer this book arms professionals with a complete blueprint and a set of best practices for writing organizing and delivering Web content A one stop resource for Webmasters content developers project managers and editors it covers all the bases from key technical considerations to the principles of professional copywriting Companion Web site includes resource listings and updates
