Digital Nomads Living on the Margins Beverly Yuen Thompson, 2021-06-11 In this increasingly neoliberal gig economy exponentially expanding with technological advances the ability to work online remotely has led some western millennials to travel the world to work and play while making a subsistence living as digital platform workers *Digital Nomads* Rachael A. Woldoff, Robert C. Litchfield, 2020-12-01 A small but growing group of today's knowledge workers actively seek a lifestyle of freedom using technology to perform their jobs traveling far and wide and moving as often as they like These digital nomads have left their local coffee shops behind and now proudly post their office of the day photos from exotic locales but what do their lives really look like In *Digital Nomads* Rachael Woldoff and Robert Litchfield take readers into an expatriate digital nomad community in Bali Indonesia to better understand this growing demographic of typically Millennial workers Through dozens of interviews and several stints living in a digital nomad hub Woldoff and Litchfield present new answers to classic questions about community creativity and work They further show why digital nomads leave their conventional lives behind arguing that creative class and Millennial workers though successful often feel that their world class cities and desirable jobs are anything but paradise They first follow their transitions into freelancing entrepreneurship and remote work then explain how digital nomads create a fluid but intimate community abroad in the company of like minded others Ultimately Woldoff and Litchfield provide insight into digital nomads efforts to live and work in ways that balance freedom community and creative fulfillment in the digital age A sympathetic yet critical take on this emerging group of workers *Digital Nomads* provides a revealing take on the changing nature of work and the problems of the new economy
