Social Media Marketing 2020 Chase Barlow, 2020-05-04

If you have always wanted to use social media for your marketing purposes but have always felt lost, then keep reading. Are you sick and tired of not being able to use the world's most valuable marketing platforms? Do you want to say goodbye to throwing away money in ineffective marketing plans and discover something that works for you? If so, then you've come to the right place. Two manuscripts in one book:

- Social Media Marketing: An Essential Guide to Building a Brand Using Facebook, YouTube, Instagram, Snapchat and Twitter*
- Including Tips on Personal Branding, Advertising and Using Influencers*
- Instagram Marketing: Unlock the Secrets to Using this Social Media Platform for Personal Branding, Growing Your Small Business and Connecting with Influencers Who Will Grow Your Brand*

Making social media work for your marketing purposes does not have to be difficult, even if you've tried to hire a social media specialist who bombards you with terminology and rarely brings about results. In fact, it is easier than you think. In part 1 of this book, you will discover:

- The top social media trends of 2020 and the changes to expect.
- Which platform will work best for you.
- How to know and grow with your audience.
- How to use Facebook, YouTube, Twitter, Instagram and Snapchat.
- The top 7 social media tools for 2020 and much, much more.

In part 2 of this book, you will learn:

- The Instagram changes you need to know to stay one step ahead.
- Why you're missing out by not having a proper Instagram presence.
- The 6 best ways to use stories to build your brand.
- How to use hashtags to your advantage the right way.
- Creating consistent content that converts.
- How to sell your products on Instagram.
- How Instagram advertising is different from other platforms.
- And what to do to run ads effectively.
- The little-known secrets to leveraging other users with a massive fan following.
- To

skyrocket your own success on Instagram The future of influencer marketing so you can always be ahead of the curve Take a second to imagine how you ll feel once you see the fruits of your labor and how your family and friends will react when you show them how well you ve been able to make social media work for you So even if you are completely new to the game you can achieve success with the knowledge you ll get from this book If you have a burning desire to leverage social media platforms and make them work for you and your success then scroll up and click add to cart **Instagram Marketing**

Instagram Secrets Alexander Vinci, 2021-09-04 Do you want to know how Instagram really works and what mindset you must have to succeed in this platform If you just starting reading through this guide and are thinking that your business isn t an eCommerce business and so Instagram isn t the place for you think again Remember the key proposition that Instagram brings is visualization Consider these examples 1 You re a real estate agent and want to highlight the newest mountain home that you have on the market 2 You are a world class hospital that just released a new mother s ward with beautiful birthing and stay suites with a spa like feel 3 You re a restaurant owner and want to highlight your savory and mouthwatering

specials each week The above examples are all situations where nothing is actually being transacted online but the business is building brand awareness and drumming up interest so that the consumer will visit their website or pick up the phone to learn more The mysterious Instagram algorithm While we ll never know exactly how Instagram has weighted the various data points that they put into their algorithm we do know that Instagram s back end technology now focuses on relevancy serving up the posts that are most likely to relate to certain users based on their activity on the site So every time a user clicks through a post or spends a certain amount of time looking at a certain influencer Instagram is capturing that data in some way and building it into their engine to ensure that posts that users won t care about are less likely to show up in their feed We do know however that Instagram is looking at the following Timely content This is all about recency meaning if a user hasn t logged in for a while they won t have to scroll through outdated and no longer relevant posts They ll be shown timely content that matters to them Interest This is really the secret sauce as Instagram is paying attention and will serve content that it believes the user will be interested in Relationships Instagram knows what photos users tag and where they comment So if a user has interacted in some way with certain brands in the past they are far more likely to be served content from that brand or similar brands in the future For marketers this is a great thing It means that as Instagram learns more about your brand your posts and advertisements are more likely to get in front of your niche or target audience A few notes about Instagram Shopping With the release of Instagram Shopping in late 2016 Instagram literally turned their platform into an online marketplace While it is still a common practice to include website links to your business site and even to a product page now it is possible to allow the customer to transact directly on the Instagram platform For businesses that want to enable the Shopping capability they need to meet the following requirements You must have an Instagram business profile That business profile needs to be connected to a Facebook catalog Your company s registered headquarters location must be located in one of the Instagram approved countries Items for sale must be physical goods that comply with the trading guideline and terms of use set forth by Instagram As this Instagram Marketing Guide is intended as a resource for those getting started with Instagram marketing we will not be providing a deep dive of the Instagram Shopping capability Here is a Preview of What You Will Get A Full Book Summary An Analysis Fun quizzes Quiz Answers Etc Get a copy of this summary and learn about the book
