*Secrets* Caroline Mindall, 2020-06-06 Instagram marketing has become a core strategy for any modern day marketer. With such a massive and diverse audience, the platform makes it easy for marketers to get in front of existing customers to drive loyalty and repeat purchases and to new customers to build brand awareness and interest with the hopes of driving them to their website to make a purchase. And with the recent release of Instagram shopping, it is now easier than ever for consumers to make their transaction right on the Instagram site, but more on that later. To that end, Instagram has done a fantastic job of innovating to increase usability and relevance for users. Instagram provides an easy-to-use and sleek interface that even the most novice of technology users can figure out after just a short time. And since Instagram users are incredibly engaged and more so than on other platforms, it supports the belief that Instagram is quite simple and easy to use. You don't have to sell products on eCommerce to have a presence on Instagram.
