Melanie L. Denny, MBA, 2014-02-04 There are more than 259 million professionals on LinkedIn. In my line of work, I come across many people in the market for a new job who are underutilizing the power of this massive networking site. A recent study showed that 51% of profiles on LinkedIn are subpar. What these folks don't realize is that LinkedIn can be a premiere source for new job opportunities if it's used the right way. You see, the hidden job market is buried in LinkedIn's algorithm and lies among people you know and don't know. I decided to write this e-book so anyone in the job market can discover how LinkedIn works, uncover the secret to building a profile that gets noticed by industry-specific recruiters, and reveal proven techniques on using the world's largest professional networking site to its full advantage. All information provided within this guide can be achieved with the basic FREE version of LinkedIn. So all you need is a computer or tablet, an internet connection, and this guide as the key to unlocking the opportunities to your next career move. Keep in mind this e-book is not a how-to guide on navigating the LinkedIn interface; a comprehensive training on how to use LinkedIn, a guarantee to finding a job. The topics discussed in this book are merely proven methods of raising the probability of success. By following the advice outlined in this guide, you will maximize your LinkedIn experience and develop a highly effective, frequently visited LinkedIn profile which will boost your visibility to employers and improve your marketability as a job seeker. **LinkedIn For Dummies** Joel Elad, 2021-04-20 Brand yourself like a pro on LinkedIn. LinkedIn multiplies what you know by the power of who you know to deliver the number one social platform for business professionals and new job seekers. LinkedIn For Dummies shows LinkedIn newcomers the best ways to discover new opportunities, enhance their personal brand, network with other professionals, and give an exponential boost to their career. Consider this book a passport to help you connect more successfully with many of LinkedIn's 660 million members in over 200 countries, as well as an expert guide to the platform's tools and features and the proven tactics that get you noticed. In this friendly, all-access introduction to the LinkedIn scene, entrepreneurship guru Joel Elad clues you in on the essentials. Get the latest insight on how to create an attractive profile that will make employers give you a second glance, as well as techniques for making useful connections across the globe. In no time at all, you'll also be right at home with the profile user interface and getting busy with adding content, searching for career opportunities, and if you're looking to hire for your company, recruiting top candidates. Build your personal brand and market it. Sell yourself by highlighting skills, awards, and endorsements. Get connected with LinkedIn groups. Manage and make introductions via InMail. Relationships matter. LinkedIn For Dummies gives you the online social skills to turn six
