It is filled with heartfelt guidance showing you how real people are building incredible financial freedom through the power of the internet. The idea of structuring your life around passive income is real. I currently have four streams of passive or semi passive income. I'm working on the fifth and would never again consider trading my time for money. But it is not as easy as some books suggest. As with anything in life, if you want to create passive income, you will need to understand it, plan for it, and then work to make it a reality. I have done just that and have no need to punch a clock or answer to anyone else. Because most of my income is passive, I don't have to exert a lot of time or effort to earn a great living. **Work Made Easy: A Guide to Success in Hybrid Environments** Parthajeet Sarma, John Hoffmire, Raj Krishnamurthy, 2024-03-04 A WELL RESEARCHED AND ERUDITE DISCUSSION OF WORKPLACE TRANSFORMATION. Feeling lost in the hybrid work maze. Struggling to keep up with the rapid pace at which AI is developing. Still shaken from the dramatic changes that the COVID 19 pandemic wrought. You are not alone. The modern workplace is a blend of the digital and the physical, with employers and employees seeking a way to balance the two. As millennials and Gen Z with their drive for experience dominate these spaces, a change of mindset is needed, and fast. Work Made Easy envisages a more relatable work environment, one that works across employee, employer, age, and physical/digital divides. As Parthajeet Sarma, John Hoffmire, and Raj Krishnamurthy think through the ways in which the gap between the ease of virtual platforms and the human touch of physical offices can be bridged, they unlock potent secrets. Written as much for organisational leaders and workplace enhancement consultants as it is for employees, this book is loaded with practical advice. There are tips on, among other things, how to seamlessly navigate the hybrid world, how to embrace AI as a helpful ally, and how to make the workplace experience your own. Undergirding all of this practical advice is the authors' five-point action plan: research, recognise, ideate, pilot, and implement. A thriving, adaptable workplace, high employee satisfaction, and higher efficiency. Work Made Easy lays out actionable steps towards these goals of true workplace transformation.
