Being at Work Mark Cole, 2025-11-18 This thought provoking and ground breaking book offers a way for us all to consider our experience of being at work and of the nature of working life Written in an engaging and accessible style it presents the practical means by which to apply central features of existentialism to make sense of how we relate to work and the workplace These include topics such as freedom and choice looking for purpose and making meaning and authenticity We spend a great deal of time at work and being at work is often a challenge Reference to the past in a corporate context tends to see it as a graveyard for errors and failures the future is something articulated by senior leaders and the place to which we are expected to travel in terms of their definition The specious present is the place where we experience our being in the moment the location where we do our work but it is rarely acknowledged in the places where we work This book offers new insights into how we can all meaningfully live our lives in the context of the world of work To do this it offers a personalised understanding of the existentialist way of philosophising It looks to simplify complex concepts in order to offer the reader a different way of thinking about the time that they spend at work and how they might consider different and more positive ways of being in such an environment It recognises that we spend a considerable amount of our life in the workplace and so argues that we need to consider that and find ways in which to make that experience personally meaningful Where other practices designed to help people to make sense of their actual experience

are introspective existentialism is reflexive and active Similarly where those other approaches are deeply individualistic existentialism constantly reminds us that our choices are undertaken in relation to others and that they have a collective implication Whether you are keen to make sense of your experience of workplace and what it means to be a human being in that context or looking to explore how you embrace the challenges of being a leader in business this book will offer you rich perspectives for sense making and ways of rethinking your presence at work **From Zero to Hired** Hartley Y

C,2025-07-05 What if you could go from absolutely nothing no degree no laptop no job history to real income real confidence and real career clarity From Zero to Hired is the practical blueprint you've been searching for Whether you're starting from scratch or stuck in a cycle of low paying gigs this book gives you every step to break out and get paid even if you have no traditional experience Inside From Zero to Hired you won't find fluff or recycled advice You'll find hands on systems real beginner case strategies and a 30 day roadmap that shows you exactly how to pick a path build skills create proof apply with confidence and land your first online job all without needing a perfect resume or college degree This book will help you Choose your first online career path even if you're unsure Learn the right skills fast and practice them with free tools Build a proof based portfolio even if you've never been hired before Apply for remote jobs that match your skill and growth Use simple scripts templates and job hunting systems that actually work Get paid with confidence and turn your first job into lasting income Avoid mistakes that keep beginners broke frustrated and invisible Stand out in a crowded market without faking credentials Stay consistent with a powerful 30 day action plan If you've ever said I don't know where to start I've tried before but it didn't work I feel like I have nothing to offer Then From Zero to Hired was written for you No experience No problem No degree No problem No direction Let's fix that By the end of this book you'll have the tools mindset and strategy to confidently learn work and earn starting from zero If you're ready to stop watching others win and finally get hired for real Your journey starts here Scroll up and grab your copy of From Zero to Hired now **7 Remote Side Hustles You Can**
