

10 STEPS TO Generate Leads on TikTok

Ready to see how you can start getting those leads with this new platform?

We walk you through it *step by step*.

1 Identify your goals

Desired number of followers

Target views per video

Conversion rate

2 Consider your buyer persona

Does it make sense that your buyer persona is on TikTok? If yes, consider their goals and where your brand fits in.

3 Create your account (and verify it)

Some rules of thumb when setting up your account:

A unique logo helps set your profile apart from other brands and creators, so set that as your profile photo.

Make your name and username your business name.

Write an interesting bio.

TikTok is experimenting with clickable bio links. Add a link to a lead generation form or opt-in offer.

To establish you're a legitimate brand, it also helps to get your profile verified.

4 Post valuable content (and few crazy ones, too)

Like any marketing campaign, your content is king. One type of content that's been increasing in value has been live video.

5 Use the right hashtag

Choose relevant hashtags that are specific for your business, and create unique branded hashtags that you can encourage audiences to use when posting content about your brand.

6 Participate in challenges

Different types of challenges have started to go viral in the platform – everything from dance challenges to meme challenges. Keep your ear to the ground to see new challenges.

7 Collaborate with influencers

Collaborate with thought leaders and influencers on the app who might be a good fit for your brand.

8 Invest in TikTok ads

TikTok constantly introduces new features businesses can use to increase their leads and sales.

9 Match your content with the audience

Create different offers that match the needs of different segments in your audience.

10 Track and evaluate the results

Keep a close eye on your campaign's performance to see your best performing content. Use these to glean important insights for your next campaigns and content pieces.

Use the tips above to help you start creating your own TikTok marketing campaign and reach new leads with engaging, relevant content that breaks traditional barriers.
