**From Pessimism to Promise** Payal Arora, 2024-09-03 A radical paradigm shift in the way we think about AI and tech taking hope and inspiration from the aspirational users of new technologies around the world When it comes to tech the mainstream headlines are bleak Algorithms control and oppress AI will destroy democracy and our social fabric and possibly even drive us to extinction While legitimate concerns drive these fears we need to equally account for the fact that tech affords young people something incredibly valuable a rare space for self actualization In *From Pessimism to Promise* award winning author Payal Arora explains that outside the West where most of the world's youth reside there is a significant different outlook on tech in fact there is a contagion of optimism toward all things digital These users especially those in marginalized contexts are full of hope for new tech As AI disrupts sectors across industries education and beyond who better to shine the light forward Arora argues than the Global South the navigator of all manner of forced disruptions leapfrogging obstructive systems norms and practices to rapidly reinvent itself Drawing on field insights in diverse global contexts such as Brazil India and Bangladesh Payal describes what drives Gen Z to embrace new technologies *From Pessimism to Promise* discusses the shift to relationally driven approaches to design how to create algorithms of aspiration how to reimagine the digital space for sex pleasure and care and what we can learn from feminist digital activists and women's collectives in the Global South on shared digital provenance and value as well as indigenous approaches to sustainability that challenges sacred ideas on degrowth circular economy and the doughnut economy Arora also takes heart in the power in numbers as the users from the majority world infuse algorithms with everyday aspirations pushing for a new digital order Timely and urgent *From Pessimism to Promise* makes a deeply compelling case that it is not naive to be optimistic about our digital future On the contrary it is our moral imperative to design with hope *Artificial Intelligence of Things (AIoT)* Fadi

Al-Turjman, Fahriye Altinay, Zehra Altinay Gazi, 2024-09-11 *Artificial Intelligence of Things AIoT Current and Future Trends* brings together researchers and developers from a wide range of domains to share ideas on how to implement technical advances create application areas for intelligent systems and how to develop new services and smart devices connected to the Internet Section One covers AIoT in Everything providing a wide range of applications for AIoT methods and technologies Section Two gives readers comprehensive guidance on AIoT in Societal Research and Development with practical case studies of how AIoT is impacting cultures around the world Section Three covers the impact of AIoT in educational settings The book also covers new capabilities such as pervasive sensing multimedia sensing machine learning deep learning and computing power These new areas come with various requirements in terms of reliability quality of service and energy efficiency Provides readers with up to date and comprehensive information on the latest advancements in AIoT including wireless technologies pervasive sensing multimedia sensing machine learning deep learning and computing power Explores the possibilities of new domains services and business models that can be created using AIoT Discusses the potential impact

of AIoT on society including its potential to improve efficiency reduce costs and enhance quality of life      **Youth Cultures, Responsive Education, and Learning** Robertson, Margaret E.,2023-09-18 Today s youth find themselves navigating an uncertain terrain marked by shifting societal foundations History tradition and geopolitics were once steadfast guides but now seem elusive or ineffective The pandemic identity crises and environmental upheavals have blurred the lines of reality leaving younger generations in pursuit of sustainable futures The social bonds that once held us together are weakening and established socio political and religious frameworks no longer offer clear direction We are at a crossroads faced with a pivotal question can we provide the necessary guidance for future generations to navigate this tumultuous era and forge a brighter future Youth Cultures Responsive Education and Learning emerges as a timely and thought provoking compass for understanding and addressing the challenges confronting today s youth Rather than prescribing a singular correct path forward it offers a diverse and comprehensive exploration of the past present and future of youth culture This book is indispensable for academic scholars and researchers seeking a thorough examination of the dynamic landscape of youth cultures responsive education and learning It serves as a valuable resource for those dedicated to understanding and addressing the intricate challenges that confront our youth in an ever evolving world      **Regenerating the Feminine** April C. Heaslip,2025-08-15 Mythologists work as cultural animateurs tracking patterns and trends identifying archetypal and symbolic wounds and remedies Reading cultural and environmental events via texts and patterns from such a perspective enables dynamic dialogue and action Regenerating the Feminine Psyche Culture and Nature examines the history of the lost and degraded archetypal feminine of Western cultures whose resurgence in scholarship the arts and social justice practices is now on the rise Drawing on various methodologies to deepen our understanding of this regenerative phenomenon author April C Heaslip charts the significance of interconnected expressions dramatically impacting our sense of self community history health culture and creativity This study examines the feminine s resurgence via emerging imaginal archetypal paradigms in literary fiction memoir and cinematic expression Utilizing literary and film studies depth psychology archaeomythology history and religious studies to examine the cultural and personal phenomenon of feminine renewal this book explores how remythologizing regeneration as well as remapping complex and neglected personal and collective wasteland landscapes revitalizes the relationship between psyche culture and nature Tending to the return of the feminine and the complex cultural and eco wastelands this post Jungian inquiry remythologizes notions of wholeness amplifies feminist revisions of Joseph Campbell s hero s journey and provides transdisciplinary best practices in support of personal individuation cultural revitalization and ecological healing      iBroadway Jessica Hillman-McCord,2017-11-21 This book argues that the digital revolution has fundamentally altered the way musicals are produced followed admired marketed reviewed researched taught and even cast In the first hundred years of its existence commercial musical theatre functioned on one basic model However with the advent of digital and network technologies every musical theatre artist and

professional has had to adjust to swift and unanticipated change Due to the historically commercial nature of the musical theatre form it offers a more potent test case to reveal the implications of this digital shift than other theatrical art forms Rather than merely reflecting technological change musical theatre scholarship and practice is at the forefront of the conversation about art in the digital age This book is essential reading for musical theatre fans and scholars alike
