a team where we contributed most or all of the behind the scenes work and moving up the organization while we are acknowledged in our supporting role

Supporting Really The Introvert's Guide to Success in Business and Leadership offers author Lisa Petrilli's experience and advice for overcoming some of the obstacles faced by introverts in networking interviewing leading and excelling in leadership positions Lisa discusses how introverted and extroverted leaders are both great in leadership and in business however introverts may struggle to reach the executive level In part introverts are less comfortable seeking the visibility required for company wide recognition In part discomfort with networking effectively and an uneasiness in asking for new opportunities creates fewer opportunities for recognition
