Is your dwindling bank account giving you a lot of stress? Do you have so many financial responsibilities and not enough money to sort them out? Is your day job not earning you enough money? Have you been thinking of ways to earn an extra income? According to a survey released by the American Psychological Association (APA), money stress is a significant cause of health issues in the U.S. What is even interesting is that even wealthy people are stressed about money, and not just those that are in a low-income bracket. The good news is that if you have been having trouble with money, you can throw all these troubles out the window by starting a side hustle that will not only earn you an extra income but will also secure a future for you and your family. Think of this as an early retirement. While working my day job, my wife and I decided to get a side hustle that today earns us a six-figure income and is the source of our wealth. Whether you are looking for an extra income to pay for your children's college tuition or pay off your mortgage or pay other debts, a few hundred dollars to thousands a month will go a long way in turning your life around for the better. In this book, you will learn what it means to earn an extra income on the side, why you should care in the first place, steps to take when planning to have an extra income, how to plan on starting a side hustle while keeping your day job, realistic ways to earn extra income on the side, rules for side hustle success, productivity hacks to help you make better with your side hustle. With this and more, you will be on your way to earning an extra income, comfort, happiness, and early retirement. So what are you still waiting for?
