**Remote Work Playbook** Cole N. Harrington, 2025-11-04 Break free from the 9 to 5 grind and start building a location independent life that pays the bills and fuels your purpose Whether you're burned out, bored, or simply tired of trading time for money, the digital economy is calling. Remote Work Playbook is your clear, no fluff guide to designing portable income streams and reclaiming control of your time, energy, and freedom. Bestselling author and digital entrepreneur Cole N. Harrington has helped thousands escape the traditional job trap, and this book shows you how. Inside, you'll learn how to: Identify your digital skillset, even if you think you're not techy. Choose the best remote work path for your personality and strengths. Launch in 30 days or less with freelance contracts or side hustle income. Land real gigs on trusted platforms without getting scammed. Build sustainable systems for long-term remote income and avoid burnout. Master the tools, tech, and habits for focus, flow, and freedom. Travel the world or stay home in your PJs while earning online. Avoid isolation and stay mentally strong in the remote work lifestyle. You'll also discover high-earning portable hustles like coaching, digital products, and content creation. Low-tech job options like virtual assistant work, ESL teaching, and customer support. Income stacking strategies that turn unstable gigs into steady income. A full 30-day launch checklist to help you go remote fast with confidence. This isn't just a book; it's your blueprint for freedom. Whether you're a total beginner or ready to scale your current hustle, Remote Work Playbook will show you exactly how to earn from anywhere. No gatekeepers. No fluff. Just action.

Research Anthology on Remote Teaching and Learning and the Future of Online Education Management Association, Information Resources, 2022-09-02 The sudden implementation of emergency health procedures at the start of the COVID-19 pandemic forced many educators and educational institutions to explore new territory in terms of policy, teaching strategy, and more. Now that many institutions are familiar with online education, innovations have been developed and implemented. It is essential to study these best practices and innovations that have been developed in remote teaching and learning to better understand the future of online education. The Research Anthology on Remote Teaching and Learning and the Future of Online Education explores the recent developments, strategies, and innovations in remote teaching and learning that have been implemented globally. Covering topics such as emergency remote teaching, psycho-social well-being, and cross-cultural communication, this major reference work is an indispensable resource for educators and administrators of both K-12 and higher education: pre-service teachers, teacher educators, librarians, government officials, IT managers, researchers, and academicians.
