Warnings Leonard Grob, John K. Roth, 2023-07-06. Old friends: one a Jew, the other a Christian. Leonard Lenny Grob and John K. Roth are philosophers who have long studied the Holocaust. That experience makes us anxious about democracy because we are also Americans living in perilous times. The 2020s remind us of the 1930s when Nazis destroyed democracy in Germany. Carnage followed. In the 2020s, Donald Trump and his followers endanger democracy in the United States. With Vladimir Putin's ruthless assault against Ukraine, compounding the difficulties, democracy must not be taken for granted. Americans love democracy except when we don't. That division and conflict mean that democracy will be on the ballot in the 2024 American elections. Probing the prospects. **Warnings: The Holocaust, Ukraine, and Endangered American Democracy** features exchanges between us that underscore the most urgent threats to democracy in the United States and show how to resist them. What's most needed is ethical patriotism that urges us Americans to be our best selves. Our best selves defend liberal democracy; they strive for inclusive pluralism. Our best selves resist decisions and policies like those that led to the Holocaust or genocidal war in Ukraine or conspiracies to overturn fair and free elections in the United States. Our best selves reject antisemitism and racism; they oppose hypocrisy and autocracy. Our best selves hold lying leaders accountable. Our best selves believe that, against all odds, democracy can win out if we never give up trying to be our best.

with writing all over again FROM THE AUTHOR 365 Blog Topic Ideas is a book I wrote to help you feel a little more inspired when you're feeling stuck for content. You literally get an entire year's worth of ideas that you can mix in with your own regular content whenever you feel the desire. My goal is to help you become unstuck and spark a little creativity. Being a lifestyle blogger could mean something different for many of us. Some of us blog about our home lives, some about cooking or beauty or fashion. I tried my best to make these topics appeal to a large group of different niches, and I think it's fairly easy to adapt them to your own blog demographic if you need to. I also included different types of topics to help your readers get to know you and also increase the shareability of your posts because I think that both are super important in building a following as well as traffic. From my research and experience, certain types of posts get more shares than others, so I've made sure to include handfuls of those in this book. You can jump into the book at any page in no particular order, whether you're just getting started with your blog or not. You can use the topics as is or even get a little creative and add your own spin on them. Enjoy your blogging journey! Dana Fox
