

HOW TO BUILD YOUR PERSONAL BRAND ON LINKEDIN

CREATE A PLAN

To come up with your plan, explore what we like to call “your why.” Your why is essentially what you want to gain from your involvement on LinkedIn.

BRING VALUE

Provide recommendations and endorsements to others, this is an effective way to stay connected with others and help them out.

BUILD RELATIONSHIPS

This can be done by engaging on posts and having discussions. Be sure to provide meaningful comments that go beyond ‘thanks for sharing’ or ‘great insight’.

BE CONSISTENT

You can't simply engage every now and then and still get a lot of value out of it. Remember your plan from the first step? Achieving it means engaging.

Online Personal Brand Ryan M. Frischmann, 2014-07-19 Online personal branding is a requirement for all professionals The common argument of the experts is you have a digital footprint in social media and on the internet so people are already making impressions of you Take control of their perceptions More importantly you have an opportunity to proactively project your personal brand onto networks Two other advantages of personal branding are that it forces you to be visionary of your career goals and helps you land favorable employment This book shares a functional angle to personal branding that is refreshingly simpler than the traditional marketing angle The definition of an online personal brand is the combination of a skill set an aura and an identity and there is discussion where the concepts overlap

Become Someone From No One Bhavik Sarkhedi, Sahil Gandhi, 2025-10-29 Become Someone From No One is your blueprint to building a powerful personal brand from the ground up It unpacks the real world strategies that transform ordinary individuals into memorable names Through stories insights and actionable steps it reveals how to stand out in a noisy digital world From self discovery to storytelling it guides you in crafting an authentic influential identity You'll learn to leverage social media content and consistency to earn credibility and trust The book breaks complex branding ideas into simple repeatable habits anyone can master Whether you're a student creator or entrepreneur this is your roadmap to becoming someone In a world overflowing with talent this book shows you how to make your name stand for something unique and unforgettable It blends psychology strategy and storytelling into a practical system for building your personal brand with purpose Co authored by Bhavik Sarkhedi a celebrated entrepreneur bestselling author and one of India's leading personal branding voices the book draws from real life lessons and years of experience Bhavik who has penned multiple acclaimed titles and founded successful creative ventures brings an insider's perspective on how individuals evolve into

influential brands. Joining him is Sahil Gandhi, widely known as the Brand Professor, a visionary in the field of identity creation and human branding. Sahil's expertise lies in simplifying branding into human behavior, turning complex concepts into relatable, result-driven actions. Together, they demystify how personal branding is no longer a luxury; it's a necessity in the modern digital era. The book walks you through how to define who you are, refine how you show up, and design how the world perceives you. From crafting your story to building an authentic digital presence, every chapter provides clarity, direction, and measurable steps. It challenges readers to think differently about influence, reputation, and impact. With real-world examples, exercises, and success frameworks, it helps you move from self-doubt to self-definition. The writing is conversational; the advice is grounded, and the transformation it promises is tangible. It's not just about followers; it's about finding your voice and making it matter. Readers will learn how to build trust, create meaningful connections, and position themselves as thought leaders in their domain. This is not theory; it's a tested path that has shaped entrepreneurs, creators, and professionals into brands people remember. Bhavik and Sahil combine art, strategy, and empathy to turn branding into a human journey, not a marketing one. Whether you're starting from scratch or reinventing yourself, this book equips you to own your narrative with confidence. *Become Someone From No One* is a transformation waiting to happen.
