## **Claude Debussy Composers World:**

*Claude Debussy* Wendy Thompson, 1993-03-01 Claude Debussy revitalized French music with his uniquely subtle art opening up a new sound world for the 20th century While the politicians played their deadly power games priming the war machine that was to shatter European civilization in 1914 the arts in late 19th century Paris flourished Writers poets and artists among them Zola Mallarmé and Renoir felt free to be original and creative and Debussy's music found its voice This lavishly illustrated biography in the Composer's World series traces Debussy's life against the fashionable background of turn of the century Paris Included in simple keyboard arrangements are extracts from some of Debussy's most sensuous music Beautifully designed **Claude Debussy** Wendy Thompson, 1993 Traces Debussy's life and works against the background of turn of the century Paris Suggested level secondary **Claude Debussy** Wendy Thompson, 1993 This biography looks at the life and work of Claude Debussy Illustrated with impressionist and art nouveau the book portrays Debussy's life against the backdrop of turn of the century Paris Simple keyboard arrangements of some of Debussy's work are also included

**Debussy and His World** Jane Fulcher, 2001-08-06 Claude Debussy's Paris was factionalized politicized and litigious It was against this background of ferment and change which characterized French society and music from the Franco Prussian War to World War I that Debussy rethought music This book captures the complexity of the composer's restless personal and artistic identity within the new picture emerging of the musical social and political world of fin de siècle Paris Debussy's setting did not simply mold his style Rather it challenged him to define a style and then to revamp it again and again as he situated himself simultaneously via the present and the past These essays trace Debussy's perpetual reinvention both social and creative from his earliest to his last works They explore tensions and contradictions in his best known compositions and examine lesser known pieces that reveal new aspects of Debussy's creative appropriation from poetry painting and non Western music The contributors reveal the extent to which Debussy's personal and professional lives were intertwined and sometimes in conflict Belonging to no one group or class but crossing many Debussy abjured the orthodox A maverick who reviled all convention and searched for a music that authentically reflected experience Debussy balked at entering any situation salons musical societies or factions that would categorize and thus distort him Because of this music lovers still argue over the degree to which Debussy's music is Impressionist symbolist or even French Aptly the volume's editor reads Debussy's last works as a dialogue with himself that reflects his inherently pluralistic paradoxical negotiated and ever changing identity William Austin's description of Debussy as one of the most original and adventurous musicians who ever lived is often repeated This book illustrates how right Austin was and shows why Debussy's unclassifiable art continues to fascinate and perplex his historians even as it entralls new listeners The contributors are Leon Botstein Christophe Charle John Clevenger Jane F Fulcher David Grayson Brian Hart Gail Hilson Woldu and Marie Rolf *Claude Debussy. 20th Century Composers* Paul Roberts, 2008-04-23 An intimate biography of this innovative and troubled composer Claude

Debussy Roderic Dunnett,1995 This work is part of a series of biographies of famous composers and musicians which aims to introduce the younger reader to the world of music This book deals with Claude Debussy **Claude Debussy** Léon Vallas,1933 Debussy on Music Claude Debussy,1977 Collects the essays and reviews of the great French composer together with interviews with him in which he comments on the composers and musical events of his day and on his own philosophy of music **Afternoon of a Faun** Harvey Lee Snyder,2015-09-01 Amadeus Claude Debussy was the father of the modern era in classical music His innovations liberated Stravinsky Schoenberg and Bartok to write their iconoclastic works and his harmonic inventions are still heard in American jazz Though he was among the most compelling figures of the Belle Epoque his life is little known to all but scholars and of his considerable musical output only Prelude to the Afternoon of a Faun La mer and Clair de lune are widely known Harvey Lee Snyder addresses this cultural neglect by presenting the composer and his music without jargon or biographical trivia in a richly detailed accurate narrative that reads like a novel Here is the story of a poor unschooled Parisian boy swept by odd coincidences to the Paris Conservatory at age ten Here is a brilliant man struggling to invent a tonal language capable of expressing his unique musical vision finding inspiration not in Bach and Beethoven but in Mallarme s poetry and the paintings of Whistler and Turner a man determined to end two centuries of Germanic domination of European music Here is a reclusive gentle man whose misguided love affairs ended in scandal and scorn His hard work failed to end decades of poverty and debt but when he died in 1918 he was and has remained the foremost French composer of the twentieth century All Music Guide to Classical Music Chris Woodstra,Gerald Brennan,Allen Schrott,2005-09 Offering comprehensive coverage of classical music this guide surveys more than eleven thousand albums and presents biographies of five hundred composers and eight hundred performers as well as twenty three essays on forms eras and genres of classical music Original **Claude Debussy** Maurice Dumesnil,1979-06-20 Now children can experience music at the most basic level before ever picking up an instrument or learning to read Morton Subotnick s series of interactive music games facilitates experimenting with the fundamentals of pitch rhythm and sounds of various instruments and styles of music Children learn what it means to play a high or low note soft or loud and fast or slow with lovable characters and detailed explanations to guide them along the way Just like languages music and instruments are different around the globe Use the innovative musical canvas tool to draw compositions using the sounds of four distinct regions of the world North America Asia West Africa and the Middle East Explore your musical potential This more advanced version provides more tools for composing such as combining rhythm and melodies for a complete piece An advanced pitch canvas allows you to draw then modify your compositions New features allow you to change the tempo copy paste sections stretch selections save composition and work on it later **Top Popular Music of the Early 20th Century: 1900 - 1949 -- Rankings, Artists & Links** Wayne Cottrell,2019-04-13 This book features by decade rankings of music singles and albums in six different genres covering the first half of the 20th century The decade of the 1890s is also included The rankings
