Orphaned betrayed and estranged from my only sibling I escape to the quiet town of Crow s Peak eager to bury my past and  
forge a fresh start Little do I know the ghosts I thought I left behind are about to resurface Abducted and held captive by an  
unfamiliar stranger I find myself thrown into a new nightmare That s where Cooper McAllister comes in the local cop  
assigned to my case In a race against time he rescues me becoming my hero in every sense of the word But he soon realizes  
that finding me was just the beginning In order to save me he must unravel my secrets a task that proves more challenging  
than either of us expects Yet as Cooper inches closer to the truth we can t help but inch closer to each other Lines blur  
between duty and desire as the urgency to solve my case competes with the growing connection we can t seem to ignore In  
the shadows of Crow s Peak my life is still on the line and danger lurks around every corner But love lurks too And it just  
might be the one thing that saves us both Back cover      **Feathers, Paws, Fins, and Claws** Christine A. Jones,Jennifer
