Clear And Coherent Prose A Functional Approach:

Clear and Coherent Prose William J. Vande Kopple, 1989 The Routledge Handbook of Language and Persuasion Jeanne Fahnestock, Randy Allen Harris, 2022-09-30 This handbook provides a wide ranging authoritative and cutting edge overview of language and persuasion Featuring a range of international contributors the handbook outlines the basic materials of linguistic persuasion sound words syntax and discourse and the rhetorical basics that they enable such as appeals argument schemes arrangement strategies and accommodation devices After a comprehensive introduction that brings together the elements of linguistics and the vectors of rhetoric the handbook is divided into six parts Part I covers the basic rhetorical appeals to character the emotions argument schemes and types of issues that constitute persuasion Part II covers the enduring effects of persuasive language from humor to polarization while a special group of chapters in Part III examines figures of speech and their rhetorical uses In Part IV contributors focus on different fields and genres of argument as entry points for research into conventions of arguing Part V examines the evolutionary and developmental roots of persuasive language and Part VI highlights new computational methods of language analysis This handbook is essential reading for those researching and studying persuasive language in the fields of linguistics rhetoric argumentation communication discourse studies political science psychology digital studies mass media and journalism **Corpora and Rhetorically Informed Text Analysis** David West Brown, Danielle Zawodny Wetzel, 2023-06-15 *Corpora and Rhetorically Informed Text Analysis* explores applications of rhetorically informed approaches to corpus research Bringing together contributions from scholars in a variety of fields it takes up questions of how theories and traditions in rhetorical analysis can be integrated with corpus techniques in order to enrich our understanding of language use variation and history The studies included in this volume shed light on areas as diverse as student academic writing political discourse and the digital humanities These studies all make use of a dictionary based tagger called DocuScope which recognizes tens of millions of words and phrases and slots them into categories based on their rhetorical functions While DocuScope provides a through line that both links the studies various analytical procedures and primes their rhetorical insights the volume is about more than the explanatory power of a single tool It demonstrates how rhetorically informed approaches can complement more established corpus methodologies underscoring their combined potential *Handbook of Writing Research , A Multidisciplinary Exploration into Flow in Writing* Deborah F. Rossen-Knill, Katherine L. Schaefer, Matthew W. Bayne, Whitney Gegg-Harrison, Dev Crasta, Alessandra DiMauro, 2024-04-05 Offering a multidisciplinary exploration of flow and the often nebulous ways it is conceptualized and operationalized in writing pedagogy this book addresses a critical gap in writing studies Bringing together practice based and scholarly perceptions it outlines the key features and definitions of flow and identifies pedagogical approaches and opportunities for classroom instruction Incorporating perspectives from disciplines including classical rhetoric composition studies cognitive science and linguistics this book provides a diverse overview of the

literature on flow in writing pedagogy It includes two instructional voice based and rhetorical grammar based activities that outline how to recognize and improve flow in writing In doing so the book also provides clear examples of how to create an inclusive writing pedagogy that incorporates sensory and analytical perspectives to help readers and writers experience flow and meet their writing goals As an exploration of flow instruction as it currently stands and might stand in the future this book will be of interest to students and instructors in the field of academic professional and creative writing studies The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license
