### **Clear Intent:**

*Clear Intent* Lawrence Fawcett, Barry J. Greenwood, 1984-01-01 Discusses the government's top secret investigations of UFO sightings and argues that the government possesses secret proof of the existence of UFOs **Put a Little Light in Your Life** Rev. Cindy Paulos, 2008-11-25 The power of light is infinite This book brings you a way to tap into Light's life changing resource You will learn to work with Light and to use it as a tool for all aspects of your life It will help you in personal growth and with your inner spiritual connection to God This is a guidebook from the Light and for the Light It will inspire and renew you No matter where you are in your spiritual journey this book will help you to connect to your Soul and Source of all A Book of Light is a guide to how to use light to transform the mind emotions and body in every area of life such as easing the pain of losing a loved one stilling the mind creating emotional balance and harmony opening up creativity and intuition resolving conflicts releasing worry clearing energy blocks dispelling judgments ending the dark night of the soul

*Smarter Teacher Leadership* Marcus Conyers, Donna Wilson, 2016 This pioneering book shares a fresh vision for school leadership that connects current knowledge from mind brain and adult learning research to the process of teacher development and leadership The authors provide clear steps to enable and inspire teachers to embrace leadership and collaboration opportunities for improving instruction and student outcomes and increasing professional satisfaction To demonstrate the broad array of leadership pathways a flexible spectrum of teacher leadership suggests the myriad ways for teachers to contribute to their school and community beyond their classrooms This spectrum is illustrated with real life examples of teacher leadership in practice Smarter Teacher Leadership will guide teachers to bridge what has been discovered about the brain and how metacognitive cognitive and affective skills support learning teaching and leading to stimulate collaboration with colleagues and advocacy with administrators parents and the wider community Using neuroplasticity and metacognition as key vehicles Marcus Conyers and Donna Wilson elevate the concept of teacher leadership to a new level of understanding and significance Their work has a research based authority and a deep sensitivity to teachers as professionals that is both rare and admirable Frank Crowther emeritus professor University of Southern Queensland Teaching and learning are inherently social activities but too often school culture and teachers training and expectations leave them working in a social vacuum Conyers and Wilson have produced a clear practical guide to improving teaching through strategic collaboration a useful addition to the ambitious teacher's library Mary Helen Immordino Yang associate professor of Education Psychology and Neuroscience University of Southern California Smarter Teacher Leadership is an excellent and really useful book for both aspiring and serving leaders The power model of leadership is developed and is a welcome shift towards purposeful collaboration among teams of people In an age of dominance of systems and structures this is a refreshing approach Elaine Wilson University of Cambridge Positively Smarter Marcus Conyers, Donna Wilson, 2015-07-20 Positively Smarter brings together seven principles for connecting the science of neuroplasticity to

practical strategies for enhancing the synergy of happiness achievement and physical well being Moving beyond common myths the text builds an evidence based paradigm to empower readers to take practical steps to move forward Brings together current research on cognitive psychology education learning and implications of neuroscience to suggest powerful ways to enhance the kind of cognitive function and productivity that leads to happiness and success Applies implications of current research showing that happiness is a skill and that positive affect can lead to higher levels of creative problem solving productivity achievement and well being Shares research and strategies for supporting physical activity and nutrition that may enhance neuroplasticity cognitive performance and positive affect Puts learners first and then brings in the science presenting creative or adaptive strategies that can be applied in the real world Includes action assessments to guide readers in taking concrete steps to achieve the goals they set for themselves Identifies deeply held assumptions that innate talent genes socioeconomic status and ethnicity mean that a significant percentage of the population lacks the neurocognitive potential to achieve at higher levels Draws on the authors research from a broad range of fields in order to maximize the positive impact of a synergistic approach
