## Click Go The Shears:

Click Go the Shears Pat Ritter, 2014 Click Go the Shears is a traditional Australian folk song The song details a day's work for a sheep shearer in the days before machine shears The enduring popularity of this song reflects the traditional role that the wool industry has played in Australian life The song describes the various roles in the shearing shed including the ringer the boss of the board the colonial experience man and the tar boy After the day's shearing the old shearer takes his cheque and heads to the local pub for a drinking session *Click Go the Shears*, 1993 A fresh edition of the world's most famous shearing song Click Go the Shears was probably the most wide spread and enduring of the old time shearers songs It was still frequently to be heard in the sheds of the Western Line of NSW in the last half of the twentieth century The tune came from an American Civil War song Ring the Bell Watchman and was later used for the revival hymn Pull for the Shore and for a number of temperance anthems including one from the Salvation Army The opening verse of Click Go the Shears is a parody of Ring the Bell written by Henry Lawson who wrote about the song in his essay The Songs They Used to Sing Versions don't seem to differ much the song was first published in written format in 1946 in an article by Percy Jones The version in this book is as sung by A L Lloyd in the 1950s **Click, Go the Shears**, 1960 Basic Dulcimer Solos Mara Wasburn, 2016-03-30 This book introduces simplified techniques of chording and fingerpicking for both smaller and larger hands and presents dozens of songs in the Ionian Aeolian and Mixolydian modes Directional arrows are shown for correct strumming along with lyrics and chords for guitar or banjo accompaniment *Sing-Along Book for Grey Nomads* Aro Dee, 2014-05-05 We discovered that we love to sing the old songs from a certain time but we have forgotten most of the words This collection supplies the words to favorite oldies but goodies get a group together with a couple of copies of this song book and have a good old singalong Dedicated to family and friends we want all the oldies out there the GREY NOMADS to get this sing along book and get together in the camping ground and caravan parks all over Australia and even the rest of the world and SING ALONG **The Path of the Just** George Poole, 1879 **Wharfie Animator** Max Bannah, 2020-12-16 This book examines the life of the Australian artist Harry Reade 1927 1998 and his largely overlooked contribution to animation It constitutes a biography of Reade tracing his life from his birth to his period of involvement with animation between 1956 and 1969 It explores the forces that shaped Reade and chronicles his experiences as a child his early working life the influence of left wing ideology on his creative development his introduction to animation through the small but radical Waterside Workers Federation Film Unit WWFFU and the influence he had on the development of Cuban animation as an educational tool of the Revolution Key Features The text offers an alternative framework for considering the political social and cultural themes that characterised 1950s Australia and 1960s Cuba A rare look into the cultural heritage of labor organizations and the populist power of animation to stimulate radical social consciousness The book also crosses a range of intellectual disciplines including Animation Studies Art History Cinema Studies and the Social and Political Histories of
