Folktales and Other Stories from the Edge of the Great Thirst Bhekumuzi Wuyane,2015-10-06 As Bhekumuzi Wuyane perches himself on the great local dome of Dombodema he is approached by an elderly African storyteller who begins telling him about life in a harsh environment at the edge of the Kalahari Desert Amid a backdrop filled with cunning animals strong women feared and adored leaders and lovers and sworn enemies the man relays tales of the three great kingdoms that will eventually transform Wuyane and teach him valuable life lessons In his collection of twenty folk tales derived from that experience Wuyane weaves the African mans stories with others both old and new to emphasize the rapidly fading art of passing down messages through folklore As animals and people struggle both together and separately to overcome their challenges and survive in the desert leadership styles a variety of emotions and good and evil intentions are revealed illustrating the deeper meaning in every story told within the African culture When the tales conclude Wuyane meets with the older man once again relating the treasured messages he has learned Folktales and Other Stories from the Edge of the Great Thirst is a collection of stories with strong and timeless morals that will appeal to both current and future generations interested in fulfilling their visions The Fiery Dive and Other Stories [by] Martin Armstrong Martin Armstrong,1929
