Clinical Child Psychology Social Learning Development And Behaviour:

Clinical Child Psychology Martin Herbert, 1991-05-13 Clinical child psychology has undergone radical changes in the last 20 years. Written by one of the leading authorities covering the specialization of clinical child psychology, this comprehensive introductory handbook updates the present literature in one single source. Brings together the many and diverse theories and policies that form the theory and practice of clinical child psychology in both Europe and North America. Information and theory are integrated by providing a conceptual developmental framework within which to assess and treat train clients.

Clinical Child Psychology Martin Herbert, 1998-10-27 This book is about the practice of clinical child psychology, a rapidly growing and diversifying discipline. It covers topical issues including PTSD in children and presents complex issues in a straight forward, easily digestible way.

Handbook of Child Psychology, Social, Emotional, and Personality Development William Damon, Richard M. Lerner, Nancy Eisenberg, 2006-06-12 Part of the authoritative four volume reference that spans the entire field of child development and has set the standard against which all other scholarly references are compared. Updated and revised to reflect the new developments in the field, the Handbook of Child Psychology Sixth Edition contains new chapters on such topics as spirituality, social understanding, and non verbal communication. Volume 3, Social, Emotional, and Personality Development, edited by Nancy Eisenberg, Arizona State University, covers mechanisms of socialization and personality development, including parent-child relationships, peer relationships, emotional development, gender role acquisition, pro-social and anti-social development, motivation, achievement, social cognition, and moral reasoning, plus a new chapter on adolescent development.

International Handbook of Phobic and Anxiety Disorders in Children and Adolescents Thomas H. Ollendick, Neville J. King, W. Yule, 2013-11-11 Renowned authorities offer the first international handbook on anxiety and phobic disorders in children and adolescents. Using DSM-IV and ICD classifications, this comprehensive and up-to-date volume addresses issues related to diagnostic classification, epidemiology, etiology, assessment, and treatment. With its case studies, this volume makes a practical reference for clinicians, researchers, and students.

An Introduction to Theories of Human Development Neil J. Salkind, 2004-01-22 An Introduction to Theories of Human Development provides a comprehensive view of the primary theoretical models of human development, including those from the biological, psychoanalytic, behavioral, and cognitive developmental perspectives. Along with a brief discussion of a historical background for each of these approaches, this book examines the application of these theories to various aspects of human development, such as the effectiveness of early intervention, individual differences, adolescence, and sociobiology.

Helping Families with Troubled Children Carole Sutton, 2006-05-01 In *Helping Families with Troubled Children*, Carole Sutton stresses the importance of attempting to work with families before difficult behaviour becomes entrenched and resistant to intervention, preferably at or before the age of 2 years. Drawing on social learning theory and cognitive behavioural principles, she provides a structured approach to intervention. ASPIRE: Assessment, planning, implementation.
