Book Review 1 A collection of intimate interviews with people regarding the personal familial cultural and geographic factors in their working lives Inspired by Studs Terkel's Working 1974 which profiled ordinary American workers editor Skees God Among the Shakers 1998 takes the concept global Six of her 16 subjects live in the United States including a slack key guitarist in Honolulu an architect in Cincinnati and a recruiter headhunter in Tampa Florida The rest are on other continents including a coffee farmer in Nicaragua a Masai warrior in Tanzania a married couple running an eco friendly factory in India a rickshaw puller in Bangladesh and a private equity manager in Hong Kong Skees organizes the material into five sections Entrepreneurship Industry and Transportation Farming Food and Animals Finance and Technology and Music an environmental activist in American coal country a banana farmer in Uganda a college admissions counselor in Rwanda and a fringe diplomat in Tel Aviv Few books dig so deeply into life as it's actually lived with such unsparing intimacy

Prose Skees's own prose is sharp clear and purposeful but outside of introductions and some notes most of the book come straight from the mouths of her subjects through first person monologue Skees breaks the chapters up into short labeled sections This is helpful for skimmers but the shortness of the individual sections gives the chapters a stop and start feeling impeding narrative momentum Originality This isn't the first book to survey workers in their own words about work nor even the first one by Skees to do so but the author has selected a fresh fascinating cross section of people to reveal truths about

the world and this current moment Execution The book offers insights wisdom challenges to orthodox thinking and some arresting first person storytelling It s both eye opening and a pleasure to learn about the day to day work of a Zambian mobile money agent and to discover how that work is vital to a population outside of the banking system That said the narrators individual voices sound somewhat similar to each other and the speakers too rarely offer up surprising or engaging anecdotes The emphasis here is strongly on the work itself and the sociopolitical context that created the opportunity for such work There s great value in capturing that but the book might prove more enticing for general audiences with a greater emphasis on voice and storytelling Booklife Publisher s Weekly *Online Businesses For Mom* Andrew K Bolden,2023-06-13

Are you a mom looking to build a successful online business from the comfort of your home In *Online Business For Mom Navigating the World of Remote Jobs and Entrepreneurship* we delve into the myriad choices available to you while working from home The first step is to determine if working from home aligns with your aspirations Once you ve made that decision it s time to explore the types of work from home jobs that best suit your skills and interests With numerous options available for work from home both online and offline finding the right employment begins with assessing your talents and professional needs This book serves as your guide to taking that crucial first step towards a thriving work from home mom career

Transitioning from traditional employment to a work from home setup can be a natural progression Many women find opportunities as independent contractors within their industry leveraging their prior job history as a springboard for success in the work from home realm For those who view their role as stay at home moms as an opportunity to explore new paths entry level employment as an independent contractor is available Various professions such as customer service data entry virtual personal assistance and medical transcription can be pursued from the comfort of your home requiring only a reliable internet connection and a functional phone If you aspire to launch your own business the possibilities are endless Consider starting a direct sales venture offering quality goods from renowned brands to your network of friends and neighbors Earn commissions through sales and by hiring others to market these sought after items From candles to kitchen supplies to aromatherapy goods numerous direct sales organizations cater to diverse interests The Internet is a powerful tool for generating income from home and many women harness its potential Explore a range of career possibilities available online such as advertising your skills as a freelance writer virtual assistant or web designer Additionally you can establish an online shop to sell products you manufacture or have the rights to sell Countless stay at home moms have successfully launched their companies online through well known auction sites like eBay while others have found their niche in internet marketing driving traffic to websites and promoting specific goods and services Finding the right work from home option starts with understanding your preferences If you enjoy interacting with people and prefer an active daily routine direct sales or starting a local service company may be the perfect fit On the other hand if you thrive online and are comfortable navigating the digital landscape consider seeking online job opportunities or even launching your own internet based venture If you value

the security of a regular salary telecommuting jobs are worth exploring After selecting your desired career path conduct thorough research on the industry to ensure success Take a week to evaluate how you feel about a specific business or organization that sparks your interest Consider the impact it will have on your life once you assume the responsibilities of that position It s crucial to be honest about the time you can dedicate to your company as it plays a vital role in finding the right fit Online Business For Mom Navigating the World of Remote Jobs and Entrepreneurship is your comprehensive guide to making informed choices *Work at Home with a Real Online Job* AnnaMaria Bliven,2016-03-02 Find the Job You Want Today Are you a work at home mom or dad retiree or disabled person hoping to earn a little extra to make ends meet Are you seeking a legitimate rewarding online job you can do from home Do you dream of being in charge of your own schedule income advancement destiny If you said yes to any of these questions this book is for you In *Work at Home with a Real Job Online* you can find just the right job schedule income and future with the help of a leading expert in the field of online job success and prosperity AnnaMaria Bliven Known as the Prosperity Princess by thousands of people she has helped Bliven has poured her latest and greatest practical proven effective insights into this one information packed no filler easy to use volume In these pages you ll find Hundreds of real jobs with quality companies at your fingertips Pro tips and advice on how to find these jobs get hired keep the job you find and advance in it Opportunities for people of all ages and stages teenagers college students work at home moms and dads military veterans retirees the disabled those with background credit issues and more Positions to match just about any interest passion potential or skill set game tester customer service agent educator data entry specialist nurse medical coding specialist transcriptionist translator interpreter artist writer computer technologist and many more Get your copy of *Work at Home with a Real Job Online* today start working tomorrow *The 2020 Remote Work Guide* Emily Jones,2020-03-24 THE 2020 REMOTE WORK GUIDE HOW TO WORK FROM HOW AND MAKE MONEY IN 2020 explains the nitty gritty of remote jobs In the new and changed world where everyone is working remotely it s essential you have a guide on how to work from home effectively and be on the top of your game despite the many distractions Also the book serves as an eye opener to the overwhelming advantages and benefits that comes with working remotely For readers that completely do not have an idea of the types of remote jobs that exists this book also proffers answers for such readers Furthermore the book examines the most profitable kinds of remote jobs the best remote job company and of course the best remote job sites Moving forward the book also highlights practical and practicable steps on how to become a successful remote worker This book serves as a nexus between the remote job seeker and his employers the remote job company or the remote company hiring manager In this section of the book readers would learn what remote companies want from their and how to craft an eye catching and mind boggling resume that would earn such readers the remote work they desire so much In this book you ll learn How to work from home Top remote working jobs opportunities Companies that hire remote workers How to stay motivated working at home And many more This remote jobs guide is

essential for all remote workers and people planning to start working from home
