Claude Lévi Strauss The Formative Years:

Claude Lévi-Strauss Christopher Johnson,2003-02-27 L vi Strauss is one of the major intellectual figures of the twentieth century His theory of structuralism has been influential not only in anthropology but across the entire field of the humanities and social sciences This book looks at the formative period of his career from the 1940s to the early 1960s where he attempts to define both his own place in anthropology and the place of anthropology in the wider context of the human sciences in France Through a close reading of key texts Christopher Johnson provides an introduction to key aspects of L vi Strauss thought at the same time posing more general questions concerning the construction of theory and the different modes of conceptualization that inform theory Johnson looks at the ideological and autobiographical dimensions of L vi Strauss work and demonstrates how the impact of structuralism as an intellectual movement has clearly been greater than the sum of its theoretical parts

A History of Anthropological Theory, Sixth Edition Paul A. Erickson,Liam D. Murphy,2021-03-01 For over twenty years A History of Anthropological Theory has provided a strong foundation for understanding anthropological thinking tracing how the discipline has evolved from its origins to the present day The sixth edition of this important text offers substantial updates throughout including more balanced coverage of the four fields of anthropology an entirely new section on the Anthropocene and significantly revised discussions of public anthropology gender and sexuality and race and ethnicity Written in accessible prose and enhanced with illustrations key terms and study questions in each section this text remains essential reading for those interested in studying the history of anthropology On its own or used with the companion volume Readings for a History of Anthropological Theory sixth edition this text provides comprehensive coverage in a flexible and easy to use format for teaching in the anthropology classroom

Rethinking Claude Lévi-Strauss (1908-2009) Robert Doran,2013 One of the most influential thinkers of the twentieth century Claude L vi Strauss casts a long shadow over many areas of inquiry from ethnology and cultural anthropology to literary studies Marxist theory and religious studies In recent years interest in his work has experienced a renaissance Both commemorating and reassessing his work this issue of Yale French Studies demonstrates how Levi Strauss s thought can be considered from a multiplicity of perspectives and the essays in the collection portray him as a vibrant presence in a wide variety of contemporary discussions Publisher s website

Readings for a History of Anthropological Theory, Fifth Edition Paul A. Erickson,Liam D. Murphy,2016-10-19 The fifth edition of this bestselling reader builds a strong foundation in both classical and contemporary theory with a sharpened focus on gender and anthropology and the anthropology of new media and technology Short introductions and key terms accompany every reading and light annotations have been added to aid students in reading original articles Used on its own or together with A History of Anthropological Theory Fifth Edition this anthology offers a flexible and unrivalled introduction to anthropological theory that reflects not only the history but also the changing nature of the discipline today

Theory in Social and Cultural Anthropology R. Jon McGee,Richard L.

Warms,2013-08-28 Social and cultural anthropology and archaeology are rich subjects with deep connections in the social and physical sciences Over the past 150 years the subject matter and different theoretical perspectives have expanded so greatly that no single individual can command all of it Consequently both advanced students and professionals may be confronted with theoretical positions and names of theorists with whom they are only partially familiar if they have heard of them at all Students in particular are likely to turn to the web to find quick background information on theorists and theories However most web based information is inaccurate and or lacks depth Students and professionals need a source to provide a quick overview of a particular theory and theorist with just the basics the who what where how and why if you will In response SAGE Reference plans to publish the two volume Theory in Social and Cultural Anthropology An Encyclopedia Features Benefits Two volumes containing approximately 335 signed entries provide users with the most authoritative and thorough reference resource available on anthropology theory both in terms of breadth and depth of coverage To ease navigation between and among related entries a Reader s Guide groups entries thematically and each entry is followed by Cross References In the electronic version the Reader s Guide combines with the Cross References and a detailed Index to provide robust search and browse capabilities An appendix with a Chronology of Anthropology Theory allows students to easily chart directions and trends in thought and theory from early times to the present Suggestions for Further Reading at the end of each entry and a Master Bibliography at the end guide readers to sources for more detailed research and discussion

The Free World Louis Menand,2021-04-20 An engrossing and impossibly wide ranging project In The Free World every seat is a good one Carlos Lozada The Washington Post The Free World sparkles Fully original beautifully written One hopes Menand has a sequel in mind The bar is set very high David Oshinsky The New York Times Book Review Editors Choice One of The New York Times s 100 best books of 2021 One of The Washington Post s 50 best nonfiction books of 2021 A Mother Jones best book of 2021 In his follow up to the Pulitzer Prize winning The Metaphysical Club Louis Menand offers a new intellectual and cultural history of the postwar years The Cold War was not just a contest of power It was also about ideas in the broadest sense economic and political artistic and personal In The Free World the acclaimed Pulitzer Prize winning scholar and critic Louis Menand tells the story of American culture in the pivotal years from the end of World War II to Vietnam and shows how changing economic technological and social forces put their mark on creations of the mind How did elitism and an anti totalitarian skepticism of passion and ideology give way to a new sensibility defined by freewheeling experimentation and loving the Beatles How was the ideal of freedom applied to causes that ranged from anti communism and civil rights to radical acts of self creation via art and even crime With the wit and insight familiar to readers of The Metaphysical Club and his New Yorker essays Menand takes us inside Hannah Arendt s Manhattan the Paris of Jean Paul Sartre and Simone de Beauvoir Merce Cunningham and John Cage s residencies at North Carolina s Black Mountain College and the Memphis studio where Sam Phillips and Elvis Presley created a new music for the American teenager He examines

the post war vogue for French existentialism structuralism and post structuralism the rise of abstract expressionism and pop art Allen Ginsberg s friendship with Lionel Trilling James Baldwin s transformation into a Civil Right spokesman Susan Sontag s challenges to the New York Intellectuals the defeat of obscenity laws and the rise of the New Hollywood Stressing the rich flow of ideas across the Atlantic he also shows how Europeans played a vital role in promoting and influencing American art and entertainment By the end of the Vietnam era the American government had lost the moral prestige it enjoyed at the end of the Second World War but America s once despised culture had become respected and adored With unprecedented verve and range this book explains how that happened The History of Continental Philosophy Alan D. Schrift, 2011-01-01 From Kant to Kierkegaard from Hegel to Heidegger continental philosophers have indelibly shaped the trajectory of Western thought since the eighteenth century Although much has been written about these monumental thinkers students and scholars lack a definitive guide to the entire scope of the continental tradition The most comprehensive reference work to date this eight volume History of Continental Philosophy will both encapsulate the subject and reorient our understanding of it Beginning with an overview of Kant s philosophy and its initial reception the History traces the evolution of continental philosophy through major figures as well as movements such as existentialism phenomenology hermeneutics and poststructuralism The final volume outlines the current state of the field bringing the work of both historical and modern thinkers to bear on such contemporary topics as feminism globalization and the environment Throughout the volumes examine important philosophical figures and developments in their historical political and cultural contexts The first reference of its kind A History of Continental Philosophy has been written and edited by internationally recognized experts with a commitment to explaining complex thinkers texts and movements in rigorous yet jargon free essays suitable for both undergraduates and seasoned specialists These volumes also elucidate ongoing debates about the nature of continental and analytic philosophy surveying the distinctive sometimes overlapping characteristics and approaches of each tradition Featuring helpful overviews of major topics and plotting road maps to their underlying contexts A History of Continental Philosophy is destined to be the resource of first and last resort for students and scholars alike The Journal of the Royal Anthropological Institute ,2003 Articles on all aspects of anthropology **Nottingham French Studies** ,2003 **Estonian Approaches to Culture Theory** Valter Lang, Kalevi Kull, 2014 The fourth volume in the Approaches to Culture Theory series is a contemporary Estonian anthology in culture theory Most of the authors are members of the research groups of the Centre of Excellence in Cultural Theory archaeology cultural communication studies contemporary cultural studies ethnology folkloristics religious studies landscape studies and semiotics These scholars have revised their recent work to highlight current topics in culture theory in Estonia and use theoretical analyses to advance the self description and self understanding of culture Contributors include Aili Aarelaid Tart Martin Ehala Halliki Harro Loit Tiit Jaago Anne Kull Kalevi Kull Kristin Kuutma Valter Lang Art Leete Kati Lindstrom Mihhail Lotman Hannes Palang Rein Raud Raul Tiganik Peeter Torop Ulo Valk
