Impressionism: A Feminist Reading Norma Broude, 2019-08-16 An original interpretation of Impressionism and nineteenth century art and culture by a noted feminist art historian This book is a pioneering reading of Impressionism from a feminist perspective by a noted art historian Norma Broude analyzes the philosophical underpinnings of landscape painting in the late nineteenth century discussing the critic *Colours of Impressionism: Masterpieces from the Musée d'Orsay* Paul Perrin, Marine Kisiel, 2018-01-31 One of the great innovations of the Impressionists was their radical use of colour their application of strokes of complementary or contrasting hues captured the shifting effects of light and foregrounded the nature of vision Using colour as the lens through which to magnify the movement's intricacies this catalogue sweeps us from Manet's rich blacks through green and blue landscapes of Monet and Cézanne to the sensuous pinks of Renoir Along this journey scientific discoveries and emerging definitions of modernity are explored illuminating the profound innovations of the Impressionists and the shifting preconceptions of their art **Monet** John House, 1986-01-01 In this beautifully illustrated book John House discusses the career and painting techniques of one of the greatest Impressionist painters providing the fullest account ever written of Monet's working practices and the ways in which they evolved In so doing House throws much new light on issues central to the understanding of French Impressionist painting as a whole **Impressionism** John House, 2004-01-01 A new perspective on Impressionist art that offers revealing fresh interpretations of familiar paintings In this handsome book a leading authority on Impressionist painting offers a new view of this admired and immensely popular art form John House examines the style and technique subject matter and imagery exhibiting and marketing strategies and social political and ideological contexts of Impressionism in light of the perspectives that have been brought to it in the last twenty years When all of these diverse approaches are taken into account he argues Impressionism can be seen as a movement that challenged both artistic and political authority with its uncompromisingly modern subject matter and its

determinedly secular worldview Moving from the late 1860s to the early 1880s House analyzes the paintings and career strategies of the leading Impressionist artists pointing out the ways in which they countered the dominant conventions of the contemporary art world and evolved their distinctive and immediately recognizable manner of painting Focusing closely on the technique composition and imagery of the paintings themselves and combining this fresh appraisal with recent historical studies of Impressionism House explores how pictorial style could generate social and political meanings and opens new ways of looking at this luminous art Claude Monet Georges Clemenceau,2017 In 1928 the former French Prime Minister Georges Clemenceau published *Claude Monet les nymphes* as *The water lilies* a memoir of his longtime friend Bruce Michelson has produced a new English translation presented here with useful notes and illustrations Michelson's translations of three short essays on art by Clemenceau originally published by *La justice* in the late XIX c are included as appendices **Claude Monet** Ann Temkin,Claude Monet,Nora Lawrence,2009 Claude Monet 1840 1926 devoted the last 25 years of his career to paintings of the Japanese style pond and gardens of his house in Giverny France Two of these luminous panels *Reflections of Clouds on the Water Lily Pond* a mural sized triptych and *Water Lilies* a single canvas are among the most well known and beloved works in the collection of The Museum of Modern Art These late works were for many years less appreciated than Monet's classic Impressionist works being considered unstructured even unfinished but with the emergence of Abstract Expressionism in the 1950s Monet became an extraordinarily relevant predecessor In 1955 MoMA became the first American museum to acquire one of Monet's large scale water lily compositions In 1958 when a fire destroyed this and another water lily painting the public's widespread expression of loss led to the acquisition of the works currently in the collection This lively volume recounts the history of Monet's water lilies at the Museum and through interviews with contemporary artists underscores the paintings resonance with the art and artists of the last half century Paintings by Monet Claude Monet,Art Institute of Chicago,1975 *Claude Monet (1840-1926)* Claude Monet,Joseph Baillio,2007 *Claude Monet, Observation and Reflection* Joel Isaacson,Claude Monet,1978 **In the Gardens of Impressionism** Clare A. P. Willsdon,2004 From Manet's earliest depictions of the Tuileries Gardens in Paris to Monet's late waterlilies painted at Giverny the Impressionists had an ongoing love affair with gardens As places of rest relaxation and beauty gardens were the Impressionist subject par excellence This beautifully illustrated volume is the first consideration of this beloved theme in the Impressionists work Here the artists fascination with gardens parks and flowers is explored in the context of the contemporary craze for horticulture and the changing political and cultural landscape in France Drawing on archival sources such as horticultural journals as well as literature poetry and correspondence the book describes how gardens simultaneously modern and imbued with nostalgia were central to the Impressionists discovery of their distinctive *plein air* out of doors style At the same time by bringing to life the 19th century tradition of oral symbolism and exploring how it infiltrated the work of key Impressionists the book gives familiar works radical new interpretations This vital contribution to

our understanding of the Impressionist world is sure to delight art and gardening enthusiasts alike **The Lost World of the Impressionists** Alice Bellony-Rewald,1976 **Impressionist Gardens** Clare A. P. Willsdon,2010 Post Impressionism
