Claudio Arrau The Two Romantics:

Claudio Arrau and Brahms, 1988 Presents Claudio Arrau performing Brahms's Sonata no 3 in F minor op 5 and Piano Concerto no 1 in D minor op 15 with Juan Pablo Izquierdo conducting the Philharmonic Orchestra of Santiago Notable Twentieth-century Pianists John Gillespie, Anna Gillespie, 1995 Pianists their lives performances and recordings are detailed in this two volume set Each biographical essay emphasizes musical background and training special influences on development significant performances and more Performance is analyzed and emphasis given to style and repertoire For those pianists who recorded there are selective discographies and reviews of outstanding recordings The authors attended many performances and often supply a personal dimension to the discussions This readable work containing extensive documented coverage of 100 artists will be appreciated by scholar student and music buff alike As a sourcebook this work contains biographical data style analyses culled from reviews recordings articles and essays pedagogical history and methods when applicable lists of selected references and reviews and a representative discography The result is an objective thorough presentation of the lives and performances of 100 notable pianists The list initially derived from correspondence with pianists and pedagogues in music conservatories and colleges throughout the United States and after eight years of research in both libraries and concert halls The text reads easily and is fascinating but the vast amount of information and the careful scientific analysis make it a scholarly work of the highest order useful to graduate students as well as the general public

Music Magazine, 1989 *Film and Video Finder*, 1997, 1997 **A Romance on Three Legs** Katie Hafner, 2010-07-15 Glenn Gould was famous for his obsessions the scarves sweaters and fingerless gloves that he wore even on the hottest summer days his deep fear of germs and illness the odd wooden pygmy chair that he carried with him wherever he performed and his sudden withdrawal from the public stage at the peak of his career But perhaps Gould's greatest obsession of all was for a particular piano a Steinway concert grand known as CD318 C meaning for the use of Steinway Concert Artists only and D denoting it as the largest that Steinway built A Romance on Three Legs is the story of Gould's love for this piano from the first moment of discovery in a Toronto dept store to the tragic moment when the piano was dropped and seriously damaged while being transported from a concert overseas Hafner also introduces us to the world and art of piano tuning including a central character in Gould's life the blind tuner Verne Edquist who lovingly attended to CD318 for more than two decades We learn how a concert grand is built and the fascinating story of how Steinway Sons weathered the war years by supplying materials for the military effort Indeed CD318 came very close to ending up as a series of glider parts or worse a casket The book has already been lauded by Kevin Bazzana author of the definitive Gould biography who notes that Hafner has clarified some old mysteries and turned up many fresh details **The Great Romantic Films** Lawrence J. Quirk, 1974 First published in 1974 this illustrated book spotlights film romances year by year from 1932 to 1973 Selected movies include 1939's *Wuthering Heights* 1942's *Now Voyager* 1957's *The Barretts of Wimpole Street* 1966's *Madame X* and 1970's *Love*

Story **Hi Fi/stereo Review** ,1961 *Piano Performance Video Recordings on VHS* John Gillespie,Anna Gillespie,2003
 Longtime collectors of video recordings VHS of piano both solo and with orchestra desire nothing more than a catalog listing only piano performances This catalog provides the means whereby music professionals average piano students and piano aficionados can study piano performance in both its audio and video aspects Part I provides information on nearly 200 piano performance videos that where personally heard by the authors There is a brief evaluation of each video the authors thoughts as well as the opinions of highly regarded critics in the music performance field Part II lists supplemental video recordings containing performances by more than one pianist as in collections competitions and documentaries Part III cross references the catalog by composer Each composition relates to a piano performance listed in Part I or Part II In some instances the pianist plays only excerpts of compositions but these musical fragments are included because they are the only VHS performances the authors could find by that particular pianist or simply because they are so representative of the pianist s style The video recording provides an evocative look at the pianist how he produces his particular sound what hand position he prefers when playing a concerto and his rapport with both orchestra and conductor A useful tool for piano music enthusiasts for those looking to hear piano performance and for skilled pianists looking for new insights **Video Source Book** Gale Group,1999-10-28 A guide to programs currently available on video in the areas of movies entertainment general interest education sports recreation fine arts health science business industry children juvenile how to instruction *Hi Fi/stereo Review* ,1993 *Clavier* ,1993 **Video Source Book** ,2006 A guide to programs currently available on video in the areas of movies entertainment general interest education sports recreation fine arts health science business industry children juvenile how to instruction **The Absolute Sound** ,2004 **New York Magazine** ,1982-02-08 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Gramophone** ,2004 *A Dictionary for the Modern Pianist* Stephen Siek,2016-11-10 A Dictionary for the Modern Pianist combines nearly four hundred entries covering classical and popular pianists noted teachers terminology germane to the piano s construction and major manufacturers both familiar firms and outstanding independent builders who have risen to the forefront in recent years Speaking to the needs of the modern performer it also includes entries on jazz and pop artists digital pianos and period instruments As a resource for professionals and students A Dictionary for the Modern Pianist is also accessible to more general readers as all of its topics are presented in clear readable expositions Drawing on the most recent research of numerous specialists author Stephen Siek emphasizes the piano s uniquely rich heritage giving pianists a renewed appreciation for the famous artists and teachers who have shaped their art Transcending simple alphabetical definitions the

dictionary's careful attention both to legacy and detail make it an invaluable addition to any pianist's library. Titles in the Dictionaries for the Modern Musician series offer novice and advanced musicians key information on the field of study and performance of a major instrument or instrument class. Unlike other encyclopedic works, contributions to this series focus primarily on the knowledge required by the contemporary musical student or performer. From quick definitions of confusing terms to in-depth overviews of history and tradition, the dictionaries are ideal references for students, professionals, and music lovers of all kinds.
