Clay Allison John A. Truett,2000-01-20 After the Civil War Clay Allison and his brother John leave their ravaged Tennessee home to start a new life in Cimarron a little town in wild untamed New Mexico Territory Not only must they deal with iron fisted wealthy landowner Lucien Maxwell and the notorious Santa Fe Ring but Clay Allison s life is threatened by revenge seeking Chunk and Steve Colbert two psychopathic outlaws With Clay Allison s unorthodox methods of defending himself while trying to bring fairness to others he acquires the reputation of a cold hearted gunfighter who will kill anyone who rubs him the wrong way This intriguing story is based on fact and includes all the people who lived at the time including beautiful Dora McCullough who with her love tries to save Clay Allison from going to hell *Clay Allison* John A. Truett,1998 After the Civil War Clay Allison and his brother John leave their ravaged Tennessee home to start a new life in Cimarron a little town in wild untamed New Mexico Territory Not only must they deal with iron fisted wealthy landowner Lucien Maxwell and the notorious Santa Fe Ring but Clay Allison s life is threatened by revenge seeking Chunk and Steve Colbert two psychopathic outlaws With Clay Allison s unorthodox methods of defending himself while trying to bring fairness to others he acquires the reputation of a cold hearted gunfighter who will kill anyone who rubs him the wrong way This intriguing story is based on fact and includes all the people who lived at the time including beautiful Dora McCullough who with her love tries to save Clay Allison from going to hell Outlaw Tales of New Mexico Barbara Marriott,2012-03-06 True stories of the Land of Enchantment s most infamous crooks culprits and cutthroats **Chasing the Sun** Edward Joseph Beverly,2008 Chasing the Sun is a guide to Western fiction with more than 1 350 entries including 59 reviews of the author s personal favorites organized around theme *Clay Allison* Francis Stanley,1956 Most writers are impressed by three things in the life of Clay Allison That he had a tooth pulling bout with a dentist that he rode the streets of Canadian Texas clothed only in a gun belt and that he went back to Tennessee to marry his childhood sweetheart Perhaps none of these incidents are hardly capable of exciting the imagination of the intelligent reader but they do tend to set up a curiosity about this famous Western character Eleven years of research and thirty thousand miles of travel are the propos on which the author built this story It is not surprising that he should come up with a human being who is surprisingly capable of feats more commendable than those other Western legendary characters hit upon by most writers of Western folklore Exciting tales of gun slingers are not always true tales Here we find have both combined **Longarm Giant #22** Tabor Evans,2003-05-27 Longarm GIANT novels the biggest and best in Western adventure U S Marshal Custis Long realizes better than anyone how the newspapers play with the truth He knows for a fact that Clay Allison s surly hide was laid under the sod for good But he can t prove it Never exactly an outlaw Allison was inclined to kill people when he drank and he drank a lot But now tales of Clay Allison keep coming along the news wire out of Texas Someone who looks talks dresses and kills like the late shootist is on a murder spree Longarm can t believe that a homicidal drunk has come blazing back to life from out of the grave But he has to look into it

especially since a Texas Ranger has been gunned down If it turns out that he was wrong about Allison s demise Longarm will admit it and then correct his mistake *Maxwell Land Grant* William Aloysius Keleher,2008 When the United States acquired New Mexico by invasion and conquest it inherited a land grant problem of considerable magnitude This problem continued for decades until 1870 when Congress suddenly declined to act at all on any New Mexico grant claim including the 1841 Maxwell Land Grant which embraced almost two million acres **New Mexico Magazine** ,1999 **Finding the Wild West: The Southwest** Mike Cox,2022-06-01 From the famed Oregon Trail to the boardwalks of Dodge City to the great trading posts on the Missouri River to the battlefields of the nineteenth century Indian Wars there are places all over the American West where visitors can relive the great Western migration that helped shape our history and culture This guide to the Southwest states of Arizona New Mexico and Texas one of the five volume Finding the Wild West series highlights the best preserved historic sites as well as ghost towns reconstructions museums historical markers statues works of public art that tell the story of the Old West Use this book in planning your next trip and for a storytelling overview of America s Wild West history **The Gunfighters** Dale T.
