who left her father s high powered firm to handle small legal problems for local residents and ponder her own next move But while trying to sort out her own future two people desperate for help show up on her doorstep former pro football player Martin Owens and his wife Binnie Binnie who is mute met her husband when she snuck aboard his boat while it was docked in Haiti and smuggled herself into the U S Now Immigration is seeking to deport her back to Haiti which would be a death sentence Born to a woman from Belize who was kidnapped and enslaved by pirates Binnie s only hope is to prove her and her mother s real identity With only days to find the truth and protect Binnie Holloway sets off for Belize But what she knows is only the tip of the iceberg in what turns out to be one of her most complex compelling and dangerous cases yet **Mystery**

**Women, Volume Three (Revised)** Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the

past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 *The Publishers Weekly* ,2006 **Library Journal** ,2003 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately *Cassette Books* Library of Congress.
