The Politics of Religion and the Rise of Social Catholicism in Peru (1884-1935) Ricardo Daniel Cubas Ramacciotti, 2017-10-23 In *The Politics of Religion and the Rise of Social Catholicism in Peru 1884-1935* Ricardo Cubas Ramacciotti provides a lucid synthesis of the Catholic Church's responses to the secularisation of the State and society whilst offering a fresh appraisal of the emergence of Social Catholicism and its contribution to social thought and development of civil society in post independence Peru Making use of diverse historical sources Cubas provides a comprehensive view of a reformist yet anti revolutionary trend within the Peruvian Church that decades before the emergence of Liberation Theology and under divergent intellectual paradigms developed an active agenda that addressed the new social problems of the country including those of urban workers and of indigenous populations

Religious Culture in Modern Mexico Martin Austin Nesvig, 2007-02-01 This nuanced book considers the role of religion and religiosity in modern Mexico breaking new ground with an emphasis on popular religion and its relationship to politics The contributors highlight the multifaceted role of religion illuminating the ways that religion and religious devotion have persisted and changed since

Mexican independence They explore such themes as the relationship between church and state the resurgence of religiosity and religious societies in the post reform period the religious values of the liberals of the 1850s and the ways that popular expressions of religion often trumped formal and universal proscriptions Focusing on individual stories and vignettes and on local elements of religion the contributors show that despite efforts to secularize society religion continues to be a strong component of Mexican culture Portraying the complexity of religiosity in Mexico in the context of an increasingly secular state this book will be invaluable for all those interested in Latin American history and religion Contributions by Silvia Marina Arrom Adrian Bantjes Alejandro Cort zar Jason Dormady Martin Austin Nesvig Matthew D O Hara Daniela Traffano Paul J Vanderwood Mark Overmyer Vel zquez Pamela Voekel and Edward Wright Rios *From Colony to Nationhood in Mexico* Sean F. McEnroe, 2012-06-18 In November 1782 Vicente Gonzales de Santianes the governor of Nuevo Leon received a sheaf of documents from a protracted legal dispute in the Indian town of San Miguel de Aguayo At first glance the case seems so utterly commonplace as to be beneath the notice of the region s chief magistrate One of San Miguel s Tlaxcalan stoneworkers had been accused of an adulterous liaison with a townswoman Provided by publisher *A Life Together* Eric Van Young, 2021-05-25 An eminent historian s biography of one of Mexico s most prominent statesmen thinkers and writers Lucas Alam n 1792 1853 was the most prominent statesman political economist and historian in nineteenth century Mexico Alam n served as the central ministerial figure in the national government on three occasions founded the Conservative Party in the wake of the Mexican American War and authored the greatest historical work on Mexico s struggle for independence Though Mexican historiography has painted Alam n as a reactionary Van Young s balanced portrait draws upon fifteen years of research to argue that Alam n was a conservative modernizer whose north star was always economic development and political stability as the means of drawing Mexico into the North Atlantic world of advanced nation states Van Young illuminates Alam n s contribution to the course of industrialization advocacy for scientific development and unerring faith in private property and institutions such as church and army as anchors for social stability as well as his less commendable views such as his disdain for popular democracy **Independent Mexico** Will Fowler, 2016 In mid nineteenth century Mexico garrisons town councils state legislatures and an array of political actors groups and communities began aggressively petitioning the government at both local and national levels to address their grievances Often viewed as a revolt or a coup d tat these pronunciamientos were actually a complex form of insurrectionary action that relied first on the proclamation and circulation of a plan that listed the petitioners demands and then on endorsement by copycat pronunciamientos that forced the authorities be they national or regional to the negotiating table In *Independent Mexico* Will Fowler provides a comprehensive overview of the pronunciamiento practice following the Plan of Iguala This fourth and final installment in and culmination of a larger exploration of the pronunciamiento highlights the extent to which this model of political contestation evolved The result of more than three decades of pronunciamiento politics was the bloody Civil War of the Reforma 1858 60

and the ensuing French Intervention 1862-67 Given the frequency and importance of the pronunciamiento this book is also a concise political history of independent Mexico

Catholicism John T. McGreevy, 2022-09-06 A magisterial history of the centuries long conflict between progress and tradition in the world's largest international institution The story of Roman Catholicism has never followed a singular path In no time period has this been more true than over the last two centuries Beginning with the French Revolution extending to the Second Vatican Council in the 1960s and concluding with present day crises John T McGreevy chronicles the dramatic upheavals and internal divisions shaping the most multicultural multilingual and global institution in the world Through powerful individual stories and sweeping birds eye views Catholicism provides a mesmerizing assessment of the Church's complex role in modern history both shaper and follower of the politics of nation states both conservator of hierarchies and evangelizer of egalitarianism McGreevy documents the hopes and ambitions of European missionaries building churches and schools in all corners of the world African Catholics fighting for political and religious independence Latin American Catholics attracted to a theology of liberation and Polish and South Korean Catholics demanding democratic governments He includes a vast cast of riveting characters known and unknown including the Mexican revolutionary Fr Servando Teresa de Mier Daniel O Connell hero of Irish emancipation Sr Josephine Bakhita a formerly enslaved Sudanese nun Chinese statesman Ma Xiaobang French philosopher and reformer Jacques Maritain German Jewish philosopher and convert Edith Stein John Paul II Polish pope and opponent of communism Gustavo Guti rrez Peruvian founder of liberation theology and French American patron of modern art Dominique de Menil Throughout this essential volume McGreevy details currents of reform within the Church as well as movements protective of traditional customs and beliefs Conflicts with political leaders and a devotional revival in the nineteenth century the experiences of decolonization after World War II and the Second Vatican Council in the twentieth century and the trauma of clerical sexual abuse in the twenty first all demonstrate how religion shapes our modern world Finally McGreevy addresses the challenges faced by Pope Francis as he struggles to unite the over one billion members of the world's largest religious community
