Clerical Error A True Story:

Clerical Error Robert Blair Kaiser, 2002-03-11 Bob Kaiser was Time's man at Vatican II and he told the story of that council in his bestseller of the early sixties *Pope Council and World*. It was a work as well informed as Xavier Rynne's *Letters from Vatican City* and probably more influential. No reporter knew more about the council said Michael Novak. In the English speaking world at least perhaps no source was to have quite the catalytic effect on opinion outside the council and even to an extent within it. This is a different story. It is the tale of an intrepid reporter who is so intent on covering the Vatican beat better than anyone else that he doesn't notice that one of his best informants is playing around with his wife. When Kaiser blows the whistle on the man a charming Irish Jesuit named Malachy Martin, Martin persuades Kaiser's clerical friends including Archbishop T. D. Roberts and John Courtney Murray to send him to a psychiatric clinic. The story is at once hilarious. Martin was one of the great clerical con men of all time and sobering. The clerical error the refusal to see what Martin was up to was as much Kaiser's as that of his clerical friends who defended their fellow priest simply because he was a member of the club. Their naivete and blindness simply mirror the church's inability to update the ancient institution called priesthood or to deal realistically with any issue touched by sex birth control remarriage after divorce priestly celibacy clerical child abuse or the ordination of women.

Malachi Martin Robert Marro, 2025-12-02 Former CIA operations officer Robert Marro Jr. pens a gripping memoir about his close friend and confidante the famed enigmatic exorcist bestselling author and Vatican insider Malachi Martin. In this riveting firsthand account Robert Marro Jr. pulls back the veil on the life of the mysterious and controversial Reverend Dr. Malachi Martin. Over the course of their decade long friendship Martin revealed secretive details of the Vatican's efforts to combat Stalinist Iron Curtain governments during the Cold War. Martin also revealed to Marro previously unknown details of the controversial Third Secret of Fatima which to date has still not been fully disclosed despite Vatican protestations to the contrary. Marro also sets the record straight on Martin's status as an ex-Jesuit priest and alleged womanizer. Martin was not only a renowned exorcist who literally fought the demons of Hell he was a Dead Sea Scrolls archeologist Cold War Vatican spy and advisor to three popes. In *Malachi Martin* Marro pulls back the curtain on the only priest who could legitimately be called The Indiana Jones of the Catholic Church. *An Anxious Age* Joseph

Bottum, 2014-02-11 We live in a profoundly spiritual age but not in any good way. Huge swaths of American culture are driven by manic spiritual anxiety and relentless supernatural worry. Radicals and traditionalists liberals and conservatives together with politicians artists environmentalists followers of food fads and the chattering classes of television commentators America is filled with people frantically seeking confirmation of their own essential goodness. We are a nation desperate to stand on the side of morality to know that we are righteous and dwell in the light. In *An Anxious Age* Joseph Bottum offers an account of modern America presented as a morality tale formed by a collision of spiritual disturbances. And the cause he claims is the most significant and least noticed historical fact of the last fifty years the collapse of the mainline Protestant

churches that were the source of social consensus and cultural unity Our dangerous spiritual anxieties broken loose from the churches that once contained them now madden everything in American life Updating The Protestant Ethic and the Sprit of Capitalism Max Weber s sociological classic An Anxious Age undertakes two case studies of contemporary social classes adrift in a nation without the religious understandings that gave them meaning Looking at the college educated elite he calls the Poster Children Bottum sees the post Protestant heirs of the old mainline Protestant domination of culture dutiful descendants who claim the high social position of their Christian ancestors even while they reject their ancestors Christianity Turning to the Swallows of Capistrano the Catholics formed by the pontificate of John Paul II Bottum evaluates the early victories and later defeats of the attempt to substitute Catholicism for the dying mainline voice in public life Sweeping across American intellectual and cultural history An Anxious Age traces the course of national religion and warns about the strange angels and even stranger demons with which we now wrestle Insightful and contrarian wise and unexpected An Anxious Age ranks among the great modern accounts of American culture
