Porter,Philip Wiley Porter,1976      **Good Kids, Bad City** Kyle Swenson,2025-10-16 From award winning investigative journalist Kyle Swenson *Good Kids Bad City* is the true story of the longest wrongful imprisonment in the United States to end in exoneration and a critical social and political history of Cleveland the city that convicted them In the early 1970s three African American men Wiley Bridgeman Kwame Ajamu and Rickey Jackson were accused and convicted of the brutal robbery and murder of a man outside of a convenience store in Cleveland Ohio The prosecution s case which resulted in a combined 106 years in prison for the three men rested on the more than questionable testimony of a pre teen Ed Vernon The actual murderer was never found Almost four decades later Vernon recanted his testimony and Wiley Kwame and Rickey were released But while their exoneration may have ended one of American history s most disgraceful miscarriages of justice the corruption and decay of the city responsible for their imprisonment remain on trial Interweaving the dramatic details of the case with Cleveland s history one that to this day is fraught with systemic discrimination and racial tension Swenson reveals how this outrage occurred and why *Good Kids Bad City* is a work of astonishing empathy and insight an immersive exploration of race in America the struggling Midwest and how lost lives can be recovered      **Minority Elderly Services** United States Commission on Civil Rights,1982
