Too often we get stuck in our heads, focus on the negative, and paralyze ourselves with fear. And like clockwork, we fail to achieve our goals. The only way to become an effective leader and enjoy career success is by silencing the self-sabotaging thought patterns and learning to trust yourself. Once you've established a trusted connection with yourself, clear on who you are and what motivates you, career opportunities will follow. Former Wall Street executive Marisa Santoro spent years navigating trading floors in an abrasive, male-dominated industry and field where she learned from experience that the key to leadership success is self-trust. Now in *Own Your Authority*, she shares her hard-won secrets to being a resilient leader. Santoro lays out a step-by-step blueprint for building the confidence you need at any stage of your career, whether you are an executive, a mid-career senior professional, an emerging leader, or consultant.
