Rise of Streaming Ethan Parker, AI, 2025-02-24 Rise of Streaming explores how streaming services have reshaped the film and television industries It argues that platforms like Netflix Amazon Prime Video and Disney represent a fundamental shift not just an evolution impacting content creation distribution and audience engagement The book examines how streaming has democratized content creation giving voice to diverse filmmakers while also concentrating power within major corporations For example streaming has altered traditional movie distribution models impacting theatrical releases and

creating new opportunities for independent films The book analyzes the transformation of filmmaking focusing on how streaming services influence production budgets and creative risks It contrasts traditional studio systems with the direct to consumer approach of streaming examining how viewing habits and content discovery have changed Through diverse data sources industry reports and interviews the book offers a blend of business analysis and cultural critique Structured around key themes Rise of Streaming progresses from the historical context of streaming to its impact on production distribution and audience engagement It connects to broader fields like economics and media studies providing insights for filmmakers media executives and viewers alike The book offers a comprehensive understanding of streaming s implications from the economics of content creation to the preservation of cinematic heritage

Beyond Advertising Myths Pranjal Jain,2025-10-03 Build ads that think act and grow like your business Most founders think advertising is about budgets tools or agencies It is not It is about leadership Too many ambitious founders waste money treating ads like a side task They outsource decisions copy competitors or bet on one campaign to save them When it fails they are left dependent and have no clarity on what truly drives growth Beyond Advertising Myths shows you exactly how to lead advertising the founder way Through raw stories real founder examples and clear frameworks it reveals why gut instincts fail why agencies cannot replace your leadership and why even winning campaigns fade More importantly it teaches you how to lead with clarity make every ad count and fast track your business toward scalable growth
