management recruiting or psychology goes far beyond the static nature of traditional books. The interactive book not only imparts expert knowledge but also allows you to ask individual questions and receive personal advice. In doing so, expertise and technical innovation go hand in hand as we take the responsibility of delivering well-researched and reliable content as well as the trust you place in us very seriously. Therefore, all texts are written by experts in their field. Only for better accessibility of information do we rely on AI-supported research results to a limited extent to make information easier to find, which assists you in your search for knowledge. You also gain extensive premium services. Each book includes detailed explanations and examples making it easier for you to successfully use the consultation services freely available only to book buyers. Additionally, you can download e-courses, work with workbooks, or engage with an active community. This way, you gain valuable resources that enhance your knowledge, stimulate creativity, and make your personal and professional goals achievable and successes tangible. That's why, as part of the reader community, you have the unique opportunity to make your journey to personal success even more unforgettable with travel deals of up to 75% off. Because we know that true success is not just a matter of the mind but is primarily the result of personal impressions and experiences. Publisher and editor Simone Janson is also a best-selling author, was a columnist for WELT and Wirtschaftswoche, and according to ZEIT, one of Germany's most bloggers on success. AI Business for Everyone Michael T. Murphy, AI income strategies that actually work for YOUR life. This 1,000-page manual guide delivers hyper-personalized passive income roadmaps for 15 demographics: parents, retirees, freelancers, everyone. With 2,100 ready-to-use prompts, case studies exposing costly pitfalls, and aggressive 30-day action checklists, you'll build your 1,000 monthly automated income while others just read about AI. While others debate whether AI will take their jobs, smart individuals across every demographic are quietly building automated income streams generating thousands monthly. This isn't another generic 'make money with AI' guide assuming everyone's a tech-savvy twenty-something. This is the first truly democratized roadmap to AI wealth crafted for YOUR specific situation. Whether you're a stay-at-home parent squeezing work between school runs, a retiree navigating technology, a burned-out freelancer seeking leverage, or an influencer fighting algorithm changes, this 1,000-page manual guide delivers hyper-personalized strategies for your unique circumstances. Each of fifteen demographic-focused chapters weaponizes your specific advantages and turns perceived limitations into competitive edges. What sets this guide apart is relentless practicality. This isn't theoretical exploration; it's a bootcamp. Every chapter demands action through implementation checklists, leaving zero room for procrastination. You'll launch micro-businesses during naptime, automate client work during lunch breaks, and build passive income streams aligned with your lifestyle constraints. At its heart lies an arsenal of 2,100 battle-tested prompts categorized by industry and demographic needs. These aren't generic templates; they're precision-engineered tools transforming ChatGPT and Claude into your personal workforce. From healthcare practitioners needing HIPAA-compliant content to pet entrepreneurs dominating Instagram, every prompt delivers immediate monetizable
