Fintech Marketing: From Start to Now Dmitrii Egorenkov, 2024-04-24 Fintech Marketing From Start to Now is an essential read for anyone looking to grasp the seismic shifts in financial services marketing precipitated by technology Tracing the lineage from the earliest financial technologies to the latest digital revolutions this book is a masterclass in the art and science of fintech marketing The book opens with a primer on the fundamentals of fintech charting its evolution and contextualizing its rise alongside the digital milestones of our times Readers are taken from the nascent stages of online finance to the current era where mobile and social media are not just platforms but catalysts for financial innovation Delving into the fintech spectrum the book enumerates and elucidates the main categories of fintech products including transformative payment solutions alternative lending models the burgeoning sectors of insurtech and blockchain and the expanding universe of cryptocurrencies With a global lens Fintech Marketing From Start to Now provides a

panoramic survey of fintech's expansion across continents dissecting the factors that have spurred or stifled growth. It presents an incisive look at market-specific nuances in major economies like the USA, EU, China, and India while also shedding light on the diverse fintech landscapes of Southeast Asia and other regions. The heart of the book lies in its robust section on marketing strategy. It breaks down the complexities of customer acquisition in fintech from laying down the marketing fundamentals to crafting sophisticated strategies that resonate with today's savvy consumers. It details the importance of branding, the elements of a winning marketing plan, and how to build trust and credibility in an industry where security is paramount. An entire section is devoted to understanding and engaging with the target audience. Here, the book shines with its data-driven approach, providing actionable guidance on creating customer personas, utilizing analytics, and choosing the right communication channels. The marketing mix gets a digital overhaul as readers learn how to apply the timeless 4P's (Product, Price, Place, Promotion) to a fintech context. This is complemented by tactical insights into leveraging digital platforms, optimizing for search engines, engaging through social media, and employing content marketing to tell compelling financial narratives. The book doesn't just teach but shows through a series of case studies, drawing lessons from successful campaigns and flagging pitfalls to avoid. It culminates with a forward-looking analysis of fintech's future, innovating client attraction strategies, and the anticipated products set to redefine the industry.

Fintech Marketing: From Start to Now is more than a book; it's a strategic partner for fintech professionals, marketers, entrepreneurs, and enthusiasts aiming to navigate the vibrant and challenging world of fintech marketing. *Technology Strategy* Nigel Walton, Neil Pyper, 2019-09-21. This dynamic and beautifully written textbook takes a modern and innovative approach to strategy by placing technology at its heart, bridging the gap between general strategy texts and specialist technology and innovation literature. It addresses the challenges and opportunities presented to organisations by disruptive technological change and takes into account the navigation of uncertain business environments. In addition to examining more established concepts and theories, the text also explores new disruptive business models and non-traditional approaches to strategy development, such as effectuation, the Business Model Canvas, and prediction logic. This comprehensive and critical approach is supported by a rich assortment of practical examples and cases drawn from different sectors and a range of exciting companies from all over the world, helping students and practitioners to apply theory to practice. This will be an essential core text for modules on technology strategy and innovation at upper undergraduate, postgraduate, and MBA levels, and invaluable reading for senior executives and aspiring managers who seek to understand how to implement strategy in a volatile disruptive environment.
